PROGRAM GUIDE

V1804R-NETF

Thank you for selecting us for your payment processing needs. Accepting numerous payment options provides a convenience to your customers, increases your customers' ability to make purchases at your establishment, and helps speed payment to your account. This Program Guide presents terms governing the acceptance of Visa,® MasterCard® and Discover® Network Credit Card and Non-PIN Debit Card payments. The Program Guide also includes provisions applicable to Other Services. Other Services include all services related to: JCB® Card, PIN Debit Card and Electronic Benefits Transfer payments, and acceptance of Cards from other Non-Bank Card Associations such as Voyager Fleet Systems, Inc. ("Voyager"), Wright Express Corporation and Wright Express Financial Services Corporation (collectively, "WEX"). Your Merchant Processing Application will indicate the types of payments and Services you have elected to accept.

This Program Guide, together with your Merchant Processing Application and the Schedules thereto (the "Agreement"), contains the terms and conditions under which Processor and/or Bank and/or other third parties will provide services to you. We will not accept any alterations or strike-outs to the Program Guide and, if made, any such alterations or strike-outs shall not apply. Please read this booklet completely as it contains important information.

IMPORTANT INFORMATION ABOUT BANK'S RESPONSIBILITIES:

Discover Network Card Transactions, American Express Card Transactions and Other Services are not provided to you by Bank, but are provided by Processor and/or third parties. For PIN Debit transactions, such third parties may include sponsoring or acquiring banks that are not related to Bank ("PIN Debit Sponsor Banks").

The provisions of this Agreement regarding Discover Network Card Transactions, American Express Card Transactions and Other Services constitute an agreement solely between you and Processor and/or third parties. Bank is not a party to this Agreement insofar as it relates to Discover Network Card Transactions, American Express Card Transactions and Other Services, and Bank is not responsible, and shall have no liability, to you in any way with respect to Discover Network Card Transactions, and Other Services.

OTHER IMPORTANT INFORMATION:

Credit Cards present risks of loss and non-payment that are different than those with other payment systems. In deciding to accept Credit Cards, you should be aware that you are also accepting these risks.

Visa U.S.A., Inc. ("Visa"), MasterCard International, Incorporated ("MasterCard") and DFS Services LLC ("Discover Network") are payment card networks that electronically exchange Sales Drafts and Chargebacks for Credits and debits. (We will refer to Visa, MasterCard, and Discover Network as "Associations".) Sales Drafts are electronically transferred from banks (in the case of MasterCard and Visa transactions) or network acquirers (in the case of Discover Network transactions) that acquire them from merchants such as yourself (these banks and network acquirers are referred to as "Acquirers") through the appropriate Association, to the bank that issued the Cardholder's Credit Card (referred to as "Issuers"). The Issuers then bill their Card- holders for the transactions. The Associations charge the Acquirers interchange fees and assessments for submitting transactions into their systems. A substantial portion of the Discount or Transaction Fees that you pay will go toward these fees and

assessments.

In order to speed up the payment process, the Issuer transfers the funds back through the Association to the Acquirer at approximately the same time that the Issuer receives the electronic Sales Drafts. Even though the payments under this system are made simultaneously, all payments made through the Associations are conditional and subject to reversals and adjustments.

Each Association has developed rules and regulations ("Association Rules") that govern their Acquirers and Issuers and the procedures, responsibilities and allocation of risk for this process. Merchants are also bound by Association Rules. The Association Rules and applicable banking laws give Cardholders and Issuers certain rights to dispute transactions, long after payment has been made to the merchant. These disputed transactions are referred to as Chargebacks.

We do not decide what transactions are charged back and we do not control the ultimate resolution of the Chargeback. While we can attempt to reverse a Chargeback to the Issuer, we can only do so if the Issuer agrees to accept it or the Association requires the Issuer to do so after a formal appeal process. Sometimes, your customer may be able to successfully charge back a Credit Card transaction even though you have provided your goods or services and are otherwise legally entitled to payment from your customer. While you may still be able to pursue claims directly against that customer, neither we nor the Issuer will be responsible for such transactions.

You will be responsible for all Chargebacks and adjustments associated with the transactions that you submit for processing.

Please refer to the Glossary for defined terms used in the Agreement.

PART I: CARDS

A. CREDIT CARD OPERATING

This part of the Program Guide (through Section 13) describes the procedures and methods for submitting Credit Card transactions for payment, obtaining authorizations, responding to Chargebacks and Media Retrieval requests, and other aspects of the operations of our services.

Processor is a full-service financial transaction processor dedicated, among other processing services, to facilitating the passage of your Sales Drafts back to the thousands of institutions who issue the MasterCard®, Visa®, and Discover® Network Cards carried by your customers, as well as to the independent Card Issuers of American Express®, Optima® and JCB®. The Operating Procedures contained in this part focus primarily on the MasterCard, Visa, and Discover Network Associations' operating rules and regulations, and seek to provide you with the principles for a sound Card program. They are designed to help you decrease your Chargeback liability and train your employees. (In the event we provide authorization, processing or settlement of transactions involving Cards other than MasterCard, Visa and Discover Network, you should also consult those independent Card Issuers' proprietary rules and regulations.)

The requirements set forth in these Operating Procedures will apply unless prohibited by law. You are responsible for following any additional or conflicting requirements imposed by your state or local jurisdiction.

1. MasterCard, Visa and Discover Network Acceptance

1.1. Card Descriptions.

At the point of sale, the Card must be carefully examined to determine whether it is a legitimate and valid Card. The name of the Card (e.g., Visa, MasterCard or Discover Network) should appear in bold letters on the Card. For all MasterCard and Visa Cards and for some Discover Network Cards, the Card Issuer (e.g., XYZ Bank, etc.) should also appear in bold letters on the Card. The following is a description of the authorized Visa, MasterCard and Discover Network Card designs:

Visa: Visa Cards have the Visa symbol on the right-hand side of the Card. above the Visa symbol is the 3-dimensional hologram of the Visa Dove design. The expiration date must be followed by one space and may contain the symbol "V." Visa Cards contain a 16-digit account number embossed across the middle of the Cards and the first digit is always a four (4). In addition, Visa Cards have the first four digits of the account number printed directly below the embossed number. You must always check these numbers carefully to ensure that they are the same. Beginning January 2006, Visa has a new Card design which differs significantly from the previous description. You are required to familiarize yourself with the new design by consulting the document entitled "Card Acceptance and Chargeback Management Guidelines for Visa Merchants" (VRM 08. 12.16). You may download the document free of charge from Visa's website at <http://www.visa.com/merchant> or order a hardcopy to be mailed to you for a nominal charge by telephoning Visa Fulfillment at 800-VISA-311. Both the old and new Visa Card designs will be circulating concurrently in the marketplace through the year 2010. Only Visa Cards fitting the old or new descriptions may be accepted.

Beginning May 2008, Visa issued a new card design for un-embossed Visa cards. Unlike embossed Visa cards with raised numbers, letters and symbols, the un-embossed card has a smooth, flat surface. Because of the un-embossed cards flat surface, it cannot be used for transactions that require a card imprint. Un-embossed cards can only be used by merchants who process with an electronic Point Of Sale Terminal. As a result, the bottom of the card bears the following note, "Electronic Use Only."

MasterCard: MasterCard Cards are issued under the following names: MasterCard, EuroCard, Access, Union, Million and Diamond. The MasterCard symbol appears on the front or back of the Card. MasterCard and the Globe designs appear in a 3-dimensional hologram above the symbol. In addition, the words Classic, Preferred, Gold or Business may appear. MasterCard account numbers are sixteen (16) digits, and the first digit is always a five (5). The first four digits of the account must be printed directly below the embossed number. Only MasterCard Cards fitting this description may be accepted. Pursuant to an alliance with MasterCard, Diners Club Cards issued in the United States and Canada are being re-issued with a sixteen (16) digit account number the first two digits of which are now fifty-five (55) and with the MasterCard mark and hologram on the front of the Diners Club Card. These Diners Club Cards shall be accepted and processed in the same manner as MasterCard transactions. Diners Club International Cards that are issued outside the U.S. and Canada may be re-issued with the MasterCard mark on the back of the Card. These Diners Club Cards will have account numbers that are fourteen (14) digits, the first two digits of which are thirty-six (36). When these Diners Club Cards are used within the United States, Canada and other designated areas, they will be processed as MasterCard transactions. Beginning January 2006, MasterCard has a new Card design significantly different from the previous description. You are required to familiarize yourself with the new design

download the document free of charge from MasterCard's website at <http://www.mastercardmerchant.com>. Both the old and new MasterCard Card designs will be circulating concurrently in the marketplace through the year 2010. Only MasterCard Cards fitting the old or new descriptions may be accepted.

Discover Network: All valid standard rectangular plastic Cards bearing the Discover Network Acceptance Mark or the Discover/NOVUS Acceptance Mark, as indicated below, include the following common characteristics and distinctive features:

- Card Numbers comprising at least 16 digits are displayed on the front of the Card.
 - Card Numbers are clear and uniform in size and spacing within groupings.
 - Expiration date, if present, appears in mm/yy format and indicates the last month in which the Card is valid.
 - **Cards manufactured before October 3, 2008**, display the Discover Network three-dimensional hologram, bearing a distinct circular shape and images of a globe pierced by an arrow, water, and stars on a repetitive pattern background (the "Discover Network Hologram") on the front of the Card.
 - The Discover Network Hologram reflects light and appears to move as the Card is rotated.
 - All Cards display a magnetic stripe on the reverse side of the Card. **Cards manufactured on or after October 3, 2008** feature a three-dimensional holographic design that is incorporated into the magnetic stripe. A series of distinct circular shapes will be visible across the length of the magnetic stripe, with blue glows between each shape. When the Card is rotated, the holographic design will reflect light and there will be apparent movement and color switching within the circular shape.
 - Cards displaying either the Discover Network Hologram or the holographic magnetic stripe are valid after the effective dates indicated above, with the Discover Network Hologram eventually replaced by the holographic magnetic stripe for new Cards. Although both the Discover Network Hologram and the holographic magnetic stripe will each appear on Cards, valid Cards will not display both designs.
 - Depending on the issuance date of the Card, the word "DISCOVER" or "DISCOVER NETWORK" will appear in ultraviolet ink on the front of the Card when it is held under an ultraviolet light.
 - An underprint of "void" on the signature panel becomes visible if erasure of the signature is attempted.
 - The Card Number or the portion of the Card Number displayed on the signature panel on the back of the Card should match the number displayed on the front of the Card and appear in reverse indent printing.
 - **CID must be printed in a separate box to the right of the signature panel** on the back of the Card.
 - An overprint on the signature panel reads "Discover Network." On some cards, the overprint may display the name of the Card (i.e., Discover, Discover 2GO, ® Discover Platinum).
 - A Discover Network Zip Indicator may appear on the back of a standard rectangular plastic Card indicating the Card can be used to conduct Contactless Card Transactions.
- NOTE:** Valid Cards may not always be rectangular in shape (e.g., Discover 2GO® Cards) and certain valid Contactless Payment Devices approved by us for use in accessing Card Accounts (e.g., radio frequency (RF) enabled Cards, key fobs, and Mobile Commerce Devices) and to conduct Contactless Card Transactions may not display the features described above.

Prepaid Gift Card Security Features

The features described below are found on Prepaid Gift Cards; however, the placement of these features may vary:

- Depending on the issue date of the Card, the Discover Network Acceptance Mark or the Discover/NOVUS Acceptance Mark will appear on the front or back of the Card.
- The embossed, stylized "D" appears on the front of the Card.
- **A valid expiration date is embossed on the front of the Card.**
- The front of the Card may display "Temporary Card," "Prepaid Card," "Gift Card," or "Electronic Use Only."

NOTE: Prepaid Gift Cards accepted at a limited, specific list of Merchants are not required to include the Discover Network Hologram and May, but are not required to, bear the Discover Network Acceptance Mark or the Discover/NOVUS Acceptance Mark on the Card.

You are required to remain familiar with Discover Card designs and may reference the document "Discover Network Security Features." You may download the document free of charge from Discover Network's website at <http://www.discovernetwork.com/fraudsecurity/fraud.html>.

1.2. Effective/Expiration Dates. At the point of sale, the Card should be carefully examined for the effective (valid from) (if present) and expiration (valid thru) dates which are located on the face of the Card. The sale date must fall on

or between these dates. Do not accept a Card prior to the effective date or after the expiration date.

If the Card has expired, you cannot accept it for a Card sale unless you have verified through your Authorization Center that the Card is in good standing, otherwise, you are subject to a Chargeback and could be debited for the transaction.

1.3. Valid Signature. Check the back of the Card. Make sure that the signature panel has not been disfigured or tampered with in any fashion (an altered signature panel may appear discolored, glued or painted, or show erasure marks on the surface). The signature on the back of the Card must compare favorably with the signature on the Sales Draft. The Sales Draft must be signed by the Card presenter in the presence of your authorized representative (unless a Card Not Present Sale) and in the same format as the signature panel on the Card; e.g., Harry E. Jones should not be signed H.E. Jones. The signature panels of Visa, MasterCard and Discover Network Cards now have a 3-digit number (CVV 2/ CVC 2/ CID) printed on the panel known as the Card Validation Code.

Visa, MasterCard and Discover Network: If the signature panel on the Card is blank, in addition to requesting an Authorization, you must do all the following:

- Review positive identification bearing the Cardholder's signature (such as a passport or driver's license that has not expired) to validate the Cardholder's identity.
- Indicate the positive identification, including any serial number and expiration date, on the transaction receipt.
- Require the Cardholder to sign the signature panel of the Card prior to completing the Transaction.

1.4. Users Other Than Cardholders. A Cardholder may not authorize another individual to use his/her Card for purchases. Be sure the signature on the Card matches with the one on the Sales Draft. Furthermore, any Card having two signatures on the back panel is invalid and any sale made with this Card can result in a Chargeback. For Cards bearing a photograph of the Cardholder, ensure that the Cardholder appears to be the person depicted in the picture which appears on the Card. If you have any questions, call the Voice Authorization Center and request to speak to a Code 10 operator.

1.5. Special Terms If you limit refund/exchange terms or impose other specific conditions for Card sales, the words "No Exchange, No Refund," etc. must be clearly printed (in 1/4" letters) on the Sales Draft near or above the Cardholder's signature. The Cardholder's copy, as well as your copy, must clearly show this information.

During a liquidation and/or closure of any of your outlets, locations and/or businesses, you must post signs clearly visible to customers stating that "All Sales Are Final," and stamp the Sales Draft with a notice that "All Sales Are Final."

Generally, do not give cash, check or in-store Credit refunds for Card sales. Visa allows for the following exclusions: a cash refund to the Cardholder for a small ticket transaction or a no signature required transaction, a cash refund, Credit, or other appropriate form of Credit to the recipient of a gift purchased as a Mail / Phone Order transaction, or a cash refund or in-store Credit for a Visa prepaid card transaction if the Cardholder states that the Visa prepaid card has been discarded.

NOTE: A disclosure does not eliminate your liability for a Chargeback. Consumer protection laws and Association Rules frequently allow the Cardholder to dispute these items notwithstanding such disclosures.

1.6. Delayed Delivery or Deposit Balance. In a delayed delivery transaction where a Cardholder makes a deposit toward the full amount of the sale, you should execute two separate Sales Drafts (each completed fully as described in Section 3.1), the first for a deposit and the second for payment of the balance upon delivery of the merchandise or the performance of the services.

Visa: For Visa transactions, you must obtain an authorization if the cumulative total of both Sales Drafts exceeds the floor limit. You must obtain an authorization for each Sales Draft on each transaction date. You must assign the separate authorization numbers to each Sales Draft, respectively. You must note on such Sales Drafts the words "delayed delivery," "deposit" or "balance," as appropriate, and the authorization dates and approval codes.

MasterCard: For MasterCard transactions, you must obtain one authorization. You must note on both Sales Drafts the words "delayed delivery," "deposit" or "balance," as appropriate, and the authorization date and approval code.

Discover Network: For Discover Network transactions, you must label one Sales Draft "deposit" and the other "balance," as appropriate. You must obtain the "deposit" authorization before submitting the sales data for the "deposit" or the "balance" to us. If delivery of the merchandise or service purchased will occur more than thirty (30) calendar days after the "deposit" authorization, you must obtain a subsequent authorization for the "balance." In addition, you must complete Address Verification at the time of the "balance" authorization, and you must obtain proof of delivery upon delivery of the services/merchandise purchased. You may not submit sales data relating to the "balance" to us for processing until the merchandise/service purchased has been completely delivered.

NOTE: For MasterCard and Visa transactions, if delivery is more than twenty-five (25) days after the original transaction date and the initial authorization request (as opposed to the thirty (30) days in Discover Network transactions), you should re-authorize the unprocessed portion of the transaction prior to delivery. If the transaction is declined, contact the Cardholder and request another form of

payment. For example: On January 1, a Cardholder orders \$2,200 worth of furniture and you receive an authorization for the full amount; however, only a \$200 deposit is processed. The above procedures are followed, with a \$2,000 balance remaining on the furniture; the \$2,000 transaction balance should be reauthorized.

Advance Payment Charges for American Express Transactions.

An advance payment Charge is a Charge for which full payment is made in advance of you providing the goods and/or rendering services to the Cardholder and such Charges carry higher risk. American Express may withhold settlement for part or all of such Charges until it is determined that the risk has diminished.

You must follow the procedures below if you offer Cardholders the option or require them to make advance payment Charges for the following types of goods and/or services:

- Custom-orders (e.g., orders for goods to be manufactured to a customer's specifications)
- Entertainment / ticketing (e.g., sporting events, concerts, season tickets).
- Tuition, room and board, and other mandatory fees (e.g., library fees) of higher educational institutions.
- Airline tickets, vehicle rentals, rail tickets, cruise line tickets, lodging, travel-related services (e.g., tours, guided expeditions).

For an advance payment Charge, you must:

State your full cancellation and refund policies, clearly disclose your intent and obtain written consent from the Cardholder to bill the Card for an advance payment Charge before you request an Authorization. The Cardholder's consent must include his or her agreement to all the terms of the sale (including price and any cancellation and refund policies), and a detailed description and the expected delivery date of the goods and/or services to be provided (including, if applicable, expected arrival and departure dates).

• Complete a Sales Draft. If the advance payment Charge is a Card Not Present Charge, you must also: ensure that the Sales Draft contains the words "Advance Payment," and within twenty-four (24) hours of the Charge being incurred, provide the Cardholder written confirmation (e.g., email or facsimile) of the advance payment Charge, the amount, the confirmation number (if applicable), a detailed description and expected delivery date of the goods and/or services to be provided (including expected arrival and departure dates, if applicable) and details of your cancellation/ refund policy.

If you cannot deliver goods and/or services (e.g., because custom-ordered merchandise cannot be fulfilled), and if alternate arrangements cannot be made, you must immediately issue a Credit for the full amount of the advance payment Charge which cannot be fulfilled.

In addition to other Chargeback rights, a Chargeback may be exercised for any disputed advance payment Charge or portion thereof if the dispute cannot be resolved in your favor based upon unambiguous terms contained in the terms of sale to which you obtained the Cardholder's written consent.

1.7. Recurring Transaction and Preauthorized Order Regulations. If you process recurring transactions and charge a Cardholder's account periodically for recurring goods or services (e.g., monthly insurance premiums, yearly subscriptions, annual membership fees, etc.), the Cardholder shall complete and deliver to you a Cardholder approval for such goods or services to be charged to his account. The approval must at least specify the Cardholder's name, address, account number and expiration date, the transaction amounts, the timing or frequency of recurring charges and the duration of time for which the Cardholder's permission is granted. For Discover Network transactions, the approval must also include the total amount of recurring charges to be billed to the Cardholder's account, including taxes and tips and your Merchant Number.

If the recurring transaction is renewed, the Cardholder must complete and deliver to you a subsequent written request for the continuation of such goods or services to be charged to the Cardholder's account. You may not complete a recurring transaction after receiving a cancellation notice from the Cardholder or Issuer or after a request for authorization has been denied.

If we or you have terminated your Merchant Agreement, you may not submit authorization requests or sales data for recurring transactions that are due after the termination date of your Merchant Agreement.

You must obtain an authorization for each transaction and write "Recurring Transaction" (or "P.O." for MasterCard transactions) on the Sales Draft in lieu of the Cardholder's signature. A positive authorization response for one recurring transaction Card Sale is not a guarantee that any future recurring transaction authorization request will be approved or paid.

For all recurring transactions, you should submit the 3-digit Card Validation Code number with the first authorization request, but not subsequent authorization requests. Discover Network Association Rules specifically require that you follow this Card Validation Code procedure for Discover Network recurring transactions. Also, for Discover Network recurring transactions, the Sales Draft must include a general description of the transaction, your merchant name and a toll-free customer service number that the Cardholder may call to obtain customer assistance from you or to cancel the written approval for the recurring transaction. The method to secure consent for recurring Charges must contain a disclosure

that you may receive updated Card account information from the Issuer. You must retain evidence of consent to receive updated Card account information from the Issuer for twenty-four (24) months from the date you submit the last recurring billing Charge. If you offer Cardholders the option to make recurring billing Charges, you must:

- Ensure that your process for cancellation of recurring billing is simple and expeditious;
- Clearly and conspicuously disclose all material terms of the option, including, if applicable, the fact that recurring billing will continue until the option is cancelled by the Cardholder;
- Offer their American Express customers the option to receive written notification for the recurring transaction(s) at least (10) ten days prior to submitting, or anytime the Charge amount exceeds a maximum amount that has been set by the Cardholder;
- Within twenty-four (24) hours of incurring the first recurring billing Charge, provide the Cardholder written confirmation (e.g., email or facsimile) of such Charge, including all material terms of the option and details of your cancellation/refund policy; and
- Where the material terms of the option change after submission of the first recurring billing Charge, promptly notify the Cardholder in writing of such change and obtain the Cardholder's express written consent to the new terms prior to submitting another recurring billing Charge.

The cancellation of an American Express Card constitutes immediate cancellation of that Cardholder's consent for recurring Charges. American Express will not have any liability from such cancellation. If an American Express Card is cancelled or a Cardholder withdraws consent to recurring Charges, you are responsible for arranging another form of payment with the Cardholder.

All Recurring Transactions or Preauthorized Orders may not include partial payments for goods or services purchased in a single transaction.

You may not impose a finance charge in connection with a Recurring Transaction or Preauthorized Order.

If you process recurring payment transactions, the Recurring Payment Indicator must be included in each authorization request. Penalties can be assessed by the Associations for failure to use the Recurring Payment Indicator.

1.8. Requirements. The following rules are requirements strictly enforced by Visa, MasterCard and Discover Network:

- You cannot establish minimum or maximum amounts as a condition for accepting a Card, except that for Discover Network transactions, you may limit the maximum amount a Discover Network Cardholder may spend if, and only if, you have not received a positive authorization response from the Card Issuer
- You cannot impose a surcharge or fee for accepting a Card.
- You cannot establish any special conditions for accepting a Card.
- You cannot establish procedures that discourage, favor or discriminate against the use of any particular Card. However, you may choose not to accept either U.S. issued Debit Cards or U.S. issued Credit Cards under the terms described in Section 1.9.
- You cannot require the Cardholder to supply any personal information (e.g., home or business phone number; home or business address; or driver's license number) unless instructed by the Authorization Center. The exception to this is for a mail/telephone / Internet order or delivery-required transaction, and zip code for a card-present key-entered transaction in order to obtain an Address Verification ("AVS"). Any information that is supplied by the Cardholder must not be in plain view when mailed.
- Any tax required to be collected must be included in the total transaction amount and not collected in cash.
- You cannot submit any transaction representing the refinance or transfer of an existing Cardholder obligation deemed uncollectible.
- You cannot submit a transaction or sale that has been previously charged back.
- You must create a Sales or Credit Draft for each Card transaction and deliver at least one copy of the Sales or Credit Draft to the Cardholder.
- You cannot submit a transaction or sale to cover a dishonored check.
- If you accept Card checks, your Card check acceptance policy must treat the acceptance of checks from all payment card brands that you accept equally (e.g., if you accept MasterCard, Visa and Discover Network, your check acceptance policy must treat checks for all three payment card brands equally). You should handle these Card checks like any other personal check drawn upon a bank in the United States.
- Failure to comply with any of the Association Rules may result in fines or penalties.

1.9. Card Acceptance. If you have indicated either in the Application or by registering with us at least thirty (30) days in advance that, as between Non-PIN Debit Card transactions and Credit Card transactions, you will limit your acceptance to either (i) only accept Non-PIN Debit transactions; or (ii) only accept Credit Card transactions, then the following terms in this Section 1.9 will apply:

1.9.1. You will be authorized to refuse to accept for payment either Non-PIN Debit Cards or Credit Cards that are issued within the United States. You will, however, continue to be obligated to accept all foreign issued Credit or Debit Cards issued

by MasterCard, Visa or Discover Network so long as you accept any type of MasterCard, Visa or Discover Network branded Card.

1.9.2. While many Debit Cards include markings indicating debit (such as "Visa Checkcard, Visa Buxx, Gift Card, DEBIT, or Mastermoney"), many Debit Cards do not include any such markings and will not have such markings until January 2007. It will be your responsibility to determine at the point of sale whether a Card is of a type that you have indicated that you will accept. You agree to institute appropriate systems and controls to limit your acceptance to the Card types indicated. You may purchase a table of ranges of numbers currently associated with Debit Card transactions upon execution of confidentiality/non-disclosure agreements required by the Associations. You will be responsible for updating your systems to utilize such tables and to obtain updated tables.

1.9.3. To the extent that you inadvertently or unintentionally accept a transaction that you are not registered to accept, such transaction will downgrade and you will be charged the Non-Qualified Rate or, if you are utilizing the Enhanced Recovery Reduced Discount option, you will be charged the Enhanced Recovery Reduced Rate on the volume of said transaction that Client was not registered to accept, in addition to the difference between the MasterCard / Visa / Discover Network Qualified Rate agreed to in Section 9 of the Service Fee Schedule and the actual interchange rate assessed to the downgraded transaction.

1.9.4. Based upon your choice to accept only the Card types indicated in the application, you must remove from your premises any existing signage indicating that you accept all Visa, MasterCard or Discover Network Cards and use approved specific signage reflecting your policy of accepting only Non-PIN Debit or Credit Cards.

1.9.5. Even if you elect not to accept Non-PIN Debit Card transactions as provided above, you may still accept PIN Debit Card transactions if you have signed up for PIN Debit Card Services. The terms in Section 29 shall apply to such services.

1.10. Deposits of Principals Owners, partners, officers and employees of your business establishment, and the guarantors who signed the Application, are prohibited from submitting Sales Drafts or Credit Drafts transacted on their own personal Cards, other than transactions arising from bona fide purchases of goods or services in the ordinary course of your business. Such use in violation of this Section 1.10 is deemed a cash advance, and cash advances are prohibited.

1.11. Merchants in the Lodging Industry.

1.11.1. Generally. There are additional rules and requirements that apply to merchants in the lodging industry for practices including, but not limited to, Guaranteed Reservations and charges for no shows, advance deposits, overbookings, and priority checkout. If you are a merchant in the lodging industry, you **must contact us for these additional rules and requirements. Failure to do so could result in additional charges or termination of your Merchant Agreement.**

1.11.2. Lodging Service Programs. In the event you are a lodging merchant and wish to participate in Visa's and/or MasterCard's lodging services programs, please contact your sales representative or relationship manager for details and the appropriate MasterCard and Visa requirements.

1.12. Customer Activated Terminals and Self-Service Terminals. Prior to conducting Customer Activated Terminal ("CAT") transactions or Self-Service Terminal transactions **you must contact us for approval and further instructions, rules and requirements that apply to CAT and Self-Service Terminal transactions. Failure to do so could result in additional charges or termination of your Merchant Agreement.**

Customer Activated Terminals for American Express Transactions

Charges for purchases at your Customer Activated Terminals (CATs) must meet the requirements for Sales Draft as detailed below:

You must include:

- Full Magnetic Stripe data stream or chip Card data in all Authorization requests, and;
 - CAT indicator on all Authorization requests and Submissions.
- American Express will not be liable for actual or alleged fraudulent Charges occurring through Customer Activated Terminals (CAT) and will have the right to Chargeback for those Charges.

1.13. Displays and Advertising. You must prominently display appropriate Visa, MasterCard, and Discover Network and, if applicable, other Association decals and program marks at each of your locations, in catalogs, on websites and on other promotional materials as required by Association Rules. You may not indicate that Visa, MasterCard, Discover Network or any other Association endorses your goods or services.

Your right to use the program marks of either MasterCard, Visa or Discover Network terminates upon the earlier of (i) if and when your right to accept the Cards of the respective Association terminates (e.g., if your right to accept Discover Network Cards terminates, you are no longer permitted to use Discover Network program marks), (ii) delivery of notice by us or the respective Association to you of the termination of the right to use the program mark(s) for that Association, or (iii) termination of the license to use the program marks by the respective Association to us.

American Express: If you elected to accept the American Express Card on your Application, whenever payment methods are communicated to customers, or when customers ask what payments are accepted, you must indicate your acceptance

of the American Card and display the American Express Marks (including any Card application forms provided to you) as prominently and in the same manner as you do for any other Card or payment products. You must not use the American Express Marks in any way that injures or diminishes the goodwill associated with the American Express Marks, nor (without prior written consent from us) indicate that American Express endorse your goods or services. You shall only use the American Express Marks as permitted by the Agreement and shall cease using the American Express Marks upon termination of the Agreement

1.13.1. Discover Network Sublicense to Use Discover Network Program Marks. You are prohibited from using the Discover Network Program Marks, as defined below, other than as expressly authorized in writing by us. "Discover Network Program Marks" means the brands, emblems, trademarks and / or logos that identify Discover Network Cards. Additionally, you shall not use the Discover Network Program Marks other than as a part of the display of decals, signage, advertising and other forms depicting the Discover Network Program Marks that are provided to you by us or otherwise approved in advance in writing by us.

You may use the Discover Network Program Marks only to promote the services covered by the Discover Network Program Marks by using them on decals, indoor and outdoor signs, advertising materials and marketing materials; provided that all such uses by you must be approved in advance by us in writing.

You shall not use the Discover Network Program Marks in such a way that customers could believe that the products or services offered by you are sponsored or guaranteed by the owners of the Discover Network Program Marks. You recognize that you have no ownership rights in the Discover Network Program Marks. You shall not assign to any third party any of the rights to use the Program Marks.

1.13.2. American Express sublicense to Use American Express Marks. You shall only use the American Express Marks as reasonably necessary to perform your obligations under the Agreement. The guidelines listed below apply to the Merchant's use of the American Express "Blue Box" logo.

- The "Blue Box" logo must always be shown in the pre-approved "American Express Blue" or, in one- or two-color communications or black.

- The space around the "Blue Box" must equal at least 1/3 the size of the box. The "Blue Box" logo minimum size is 3/8" and 1/2" is the preferred size.

- A minimum distance of 1-1/2 times the size of the "Blue Box" must be allowed between the "Blue Box" logo and another Mark.

- For additional guidelines on the use of the American Express Marks, you can visit the American Express website at www.americanexpress.com/decals.

- You must remove American Express Marks from your website and wherever else they are displayed upon termination of the Agreement or if do not elect to accept or are not authorized to accept American Express Cards.

1.14. Cash Payments by and Cash Disbursements to Cardholders. You must not accept any direct payments from Cardholders for charges of merchandise or services which have been included on a Sales Draft; it is the right of the Card Issuer to receive such payments. You may not make any cash disbursements or cash advances to a Cardholder as part of a Card transaction unless you are a financial institution with express authorization in writing in advance from Servicers.

1.15. Discover Network Cash Over Transactions. Cash Over transactions are not available for MasterCard or Visa transactions. You may issue Cash Over in connection with a Discover Network Card sale, provided that you comply with the provisions of this Program Guide including the following requirements:

- You must deliver to us a single authorization request for the aggregate total of the goods/services purchase amount and the Cash over amount of the Card sale. You may not submit separate authorization requests for the purchase amount and the Cash over amount.

- The Sales Draft must include both the purchase amount and the Cash Over amount, and you may not use separate Sales Drafts for the purchase amount and Cash Over amount.

- No minimum purchase is required for you to offer Cash Over to a Discover Network Cardholder, provided that some portion of the total Card sale must be attributable to the purchase of goods or services.

- The maximum amount of cash that you may issue as Cash Over is \$100.00.

(Cash Over may not be available in certain markets. Contact us for further information).

1.16. Telecommunication Transactions Telecommunication Card Sales occur when a telephone service provider is paid directly using a Card for individual local or long-distance telephone calls. (**NOTE:** Pre-paid telephone service cards are not and do not give rise to Telecommunication Card Sales). **Prior to conducting Telecommunication transactions you must contact us for approval and further instructions, rules and requirements. Failure to do so could result in additional charges or termination of your Merchant Agreement.**

2. Suspect Transaction

If the appearance of the Card being presented or the behavior of the person presenting the Card is suspicious in nature, you must immediately call the Voice Authorization Center and ask to speak to a Code 10 operator. Answer all their questions and follow their instructions. While not proof that a transaction is

fraudulent, the following are some suggestions to assist you in preventing fraudulent transactions that could result in a Chargeback:

Ask yourself, does the Customer:

- appear nervous /agitated / hurried?
- appear to be making indiscriminate purchases (e.g., does not care how much an item costs, the size, etc.)?
- make purchases substantially greater than your usual customer (e.g., your average transaction is \$60, but this transaction is for \$360)?
- insist on taking the merchandise immediately (e.g., no matter how difficult it is to handle, is not interested in free delivery, alterations, etc.)?
- appear to be purchasing an unusual amount of expensive items?
- take an unusual amount of time to sign the Sales Draft, or look at the back of the Card as he signs?
- talk fast or carry on a conversation to distract you from checking the signature?
- take the Card from a pocket instead of a wallet?
- repeatedly come back, in a short amount of time, to make additional purchases?
- cause an unusual, sudden increase in the number and average sales transactions over a one- to three-day period?
- tell you he has been having some problems with his Card Issuer and request that you call a number (that he provides) for a "special" handling or authorization?

Does the Card:

- have characters the same size, height, style and all within alignment?
- appear to be re-embossed (the original numbers or letters may be detected on the back of the Card)?
- have a damaged hologram?
- have a Magnetic Stripe on the back on the Card?
- have an altered signature panel (e.g., appear discolored, glued or painted, or show erasure marks on the surface)?
- have "valid from" (effective) and "valid thru" (expiration) dates consistent with the sale date?

If you use an electronic terminal and swipe the Card, make sure the account number displayed on the terminal and/or the Sales Draft matches the number on the Card. If you cannot or do not verify the account number and accept the sale, you are subject to a Chargeback and could be debited for the amount of the transaction. **IF THE NUMBERS DO NOT MATCH, DO NOT ACCEPT THE CARD AS A FORM OF PAYMENT, EVEN THOUGH AN AUTHORIZATION CODE FOR THE MAGNETICALLY SWIPED CARD NUMBER MAY BE RECEIVED.**

Fraud-Prone Merchandise Tips:

- Jewelry, video, stereo, computer and camera equipment, shoes and men's clothing are typically fraud-prone because they can easily be resold.
- Be suspicious of high dollar amounts and transactions with more than one fraud-prone item, e.g., two VCRs, three gold chains, etc.

If you suspect fraud:

- Call the Voice Authorization Center and ask to speak to a Code 10 operator.
- If the terminal does not display the Card number, call the POS Help Desk for terminal assistance.

REMEMBER: AN AUTHORIZATION CODE ONLY INDICATES THE AVAILABILITY OF A CARDHOLDER'S CREDIT AT THE TIME OF THE TRANSACTION. IT DOES NOT WARRANT THAT THE PERSON PRESENTING THE CARD IS THE RIGHTFUL CARDHOLDER. IF PROPER PROCEDURES ARE NOT FOLLOWED AT THE TIME OF THE TRANSACTION, YOU ARE SUBJECT TO A CHARGEBACK AND YOUR ACCOUNT MAY BE DEBITED FOR THE AMOUNT OF THE TRANSACTION.

3. Completion of Sales and Credit Drafts

You must prepare a Sales Draft or Credit Draft, as applicable, for each Card transaction and provide a transaction receipt or copy of the Draft to the Cardholder at the time the Card transaction is completed.

3.1. Information Required. All of the following information must be contained on a single page document constituting a Sales Draft:

- Cardholder's account number must appear on the Credit or Sales Draft in the manner required by applicable law and Association Rules. **NOTE: The Sales or Credit Draft you provide to a Cardholder may not include the Cardholder's Card expiration date or any more than the last four digits of the Cardholder's Card number. Some states have similar requirements that also apply to the Sales or Credit Drafts you retain. MasterCard requires that Card expiration dates be excluded from the Sales or Credit Drafts your business retains. You are solely responsible to determine the Card account number truncation requirements and Card expiration date exclusion requirements for your state/ jurisdiction.**

- Clear imprint of the Card. Whenever the term "imprint" is used it refers to the process of using a manual imprinting machine to make an impression of the Card on a Sales Draft; it does not include the printout from a printer attached to an electronic device. If you use an electronic device (e.g., authorization/draft capture terminal, cash register, POS Device, etc.) and swipe the Card to read and capture the Card information via the Magnetic Stripe, you do not have to imprint the Card. **HOWEVER, IF THE TERMINAL FAILS TO READ THE MAGNETIC STRIPE OR**

IF YOU ARE REQUIRED TO OBTAIN A VOICE AUTHORIZATION, THEN YOU MUST IMPRINT THE CARD. IN ADDITION, THE SALES DRAFT MUST HAVE THE CARDHOLDER'S SIGNATURE. FAILURE TO FOLLOW THESE PROCEDURES WILL PREVENT YOU FROM DEFENDING A TRANSACTION IN THE EVENT THAT IT IS CHARGED BACK UNDER A CLAIM THAT THE RIGHTFUL CARDHOLDER DID NOT AUTHORIZE THE PURCHASE. ENTERING INFORMATION INTO A TERMINAL MANUALLY WILL NOT PREVENT THIS TYPE OF CHARGEBACK. FOR MAIL, TELEPHONE, INTERNET AND OTHER CARD NOT PRESENT ORDERS SEE SECTION 3.2;

- Cardholder's signature. However, eligible merchants participating in MasterCard's Quick Payment Service Program, Visa's Small Ticket, Visa / Discover Network No Signature Program, and/or certain Discover Network transactions (see note below) are not required to obtain the Cardholder's signature under certain conditions set forth by each program;
- Date of the transaction;
- Amount of the transaction (including the approved currency of the sale);
- Description of the goods and/or services involved in the transaction (if there are too many items, combine them into one description; e.g., "clothing" instead of "one pair of pants, one shirt"). Do not carry information onto a second Sales Draft;
- A valid authorization code; and
- Merchant's doing Business As ("D/B/A") name and location (city and state required) and Merchant Account Number.

When imprinting Sales Drafts, do not alter the Cardholder account number, circle or underline any information on the Sales Draft or alter a Sales Draft in any way after the transaction has been completed and signed. Stray marks and other alterations on a Sales Draft may render it electronically unscannable, unreadable or illegible. This may result in a Chargeback or Summary Adjustment to your account.

For Discover Network sales using a paper Sales Draft (as opposed to Electronic Draft Capture), the paper Sales Draft must also contain the initials of your representative or employee that conducted the transaction. For Discover Network Credits, the Credit Draft must contain the signature of your authorized representative or employee that conducted the transaction.

Discover Card Sales in an amount more than \$25.00 including sales taxes, tip, and/or Cash Over amount are not eligible for treatment as No Signature Required Card Sales and you may lose a Dispute of such a Card Sale if the Merchant fails to obtain the Cardholder's Signature on the Transaction Receipt.

Eligible merchants participating in Quick Payment Service and/or Small Ticket are only required to provide the Cardholder with the completed Sales Draft when requested by the Cardholder.

NOTE: For Discover Network transactions, if you are a merchant operating under certain merchant category codes approved by Discover Network, you are not required to obtain the Cardholder's signature so long as the full track data is transmitted in the authorization request and the sale amount is \$25.00 or less.

Sales Drafts for American Express Transactions.

You must create a Sales Draft for every Charge. For each Charge submitted electronically, you must create an electronically reproducible Sales Draft. The Sales Draft (and a copy of the customer's receipt) must disclose your return and/or cancellation policies.

If the Cardholder wants to use different Cards for payment of a purchase, you may create a separate Sales Draft for each Card used. However, if the Cardholder is using a single Card for payment of a purchase, you shall not divide the purchase into more than one Charge, nor shall you create more than one Sales Draft.

• Submit the Charge to American Express directly, or through your Processor, for payment.

• Retain the original Sales Draft (as applicable) and all documents evidencing the Charge, or reproducible records thereof, for the timeframe listed in our country-specific policies.

• Provide a copy of the Sales Draft to the Cardholder.

You may be able to create more than one Sales Draft if the purchase qualifies for a delayed delivery Charge. There tentative time frame for Sales Drafts is twenty-four (24) months from the date you submitted the corresponding Charge to us. Pursuant to applicable law, truncate the Card number and do not print the Card's expiration date on the copies of Sales Drafts delivered to Cardholders. Truncated Card number digits must be masked with replacement characters such as "x," "*" or "#," and not blank spaces or numbers.

If you submit Charges on paper, you must create a Sales Draft containing all of the following required data:

- Full Card number and expiration date (pursuant to applicable law), and if available, Cardholder name.
- The date the Charge was incurred.
- The amount of the Charge, which must be the total price for the purchase of goods and services (plus applicable taxes and gratuities) purchased on the Card.
- A clear description of the goods or services purchased by the Cardholder.
- An imprint or other descriptor of you name, address, Merchant Account Number and, if applicable, store number.

• The words "no refunds" if you have a no refund policy, and you return and/or

cancellation policies.

American Express No Signature.

You may participate in the American Express No Signature Program. This No Signature Program allows establishments not to request a signature from Cardholders on the Sales Draft. To qualify for the No Signature Program, both the establishment and each Charge must meet the following criteria:

Establishment Criteria.

If your establishment is classified in an industry that accepts in-person Charges, then the establishment may participate in the No Signature Program with the exception of the following categories:

- Merchants who do not conduct in-person Charges (i.e., internet, mail order or telephone order).
- Prohibited transactions as set forth in Section 14.4 or illegal transactions or activity.

High Risk Merchants (e.g., establishments whose business type has had historically high occurrences of fraud and disputed charges with American Express or as compared to other similarly situated merchants (or both); examples include internet electronic services or nightclubs/lounges) as determined by American Express in its sole discretion.

Charge Criteria:

The amount of the Charge must meet the threshold established in American Express' country specific policy.

• The Charge Submission must include the appropriate indicator to reflect that the Card and the Cardholder were present at the point of sale.

• The Charge Submission must include a valid approval.

Under the No Signature Program, Charge backs will not be exercised for such Charges based solely on the establishment's failure to obtain the Cardholder's signature at the point of sale. If a disproportionate amount or a number of disputed Charges under the No Signature Program occur, you must cooperate to reduce the amount or number of disputed Charges. If such efforts fail, you may be placed in American Express Chargeback programs (see American Express Card Organization Rules regarding "chargeback programs"), or your establishment's participation in the No Signature Program may be modified or terminated. The established threshold for charges to qualify under the No Signature Program is \$50.00 or less.

3.2. Mail / Telephone / Internet (Ecommerce) Orders and Other Card Not Present Sales.

You may only engage in mail/telephone/ Internet orders provided they do not exceed the percentage of your total payment Card volume reflected on your application. Failure to adhere to this requirement may result in cancellation of your Agreement. Merchants conducting Internet transactions using MasterCard or Visa Cards must have special codes (an "Electronic Commerce Indicator") added to their authorization and settlement records. Discover Network does not use an Electronic Commerce Indicator. Failure to register as a merchant conducting Internet transactions can result in fines imposed by the Associations.

Mail/Telephone/Internet and other Card Not Present transactions have a substantially higher risk of Chargeback. Since you will not have an imprinted or magnetically swiped transaction and you will not have the Cardholder's signature on the Sales Draft as you would in a face-to-face transaction, you will assume all risk associated with accepting a mail/telephone/Internet or other Card Not Present transaction. The following procedures, while they will not eliminate Chargebacks, are useful in reducing them and should be followed by you:

- Obtain the expiration date of Card.
- On the Sales Draft, clearly print the Cardholder's account number; effective and expiration dates; date of transaction; description of the goods and services; amount of the transaction (including shipping, handling, insurance, etc.); Cardholder's name, billing address and shipping address; authorization code; and merchant's name and address (city and state required).
- For mail orders, write "MO"; for telephone orders, write "TO" on the Cardholder's signature line.
- If feasible, obtain and keep a copy of the Cardholder's signature on file on a form authorizing you to submit telephone and mail order transactions.
- You should utilize the Address Verification Service for all Card Not Present Transactions (see note below). Address Verification is specifically required for all Discover Network Card Not Present Transactions, and **if you do not receive a positive match through AVS, you may not process the Discover Network Card Not Present Transaction. If you do not have AVS, contact us immediately.**
- You should obtain the 3-digit Card Validation Code number and include it with each authorization request. Discover Network Association Rules specifically require that you submit the Card Validation Code with the authorization request for all Discover Network Card Not Present Transactions.
- For telephone orders, it is recommended that written verification of the sale be requested from the Cardholder (sent by mail or fax).
- You may not submit a transaction for processing until after the merchandise has been shipped or the service has been provided to the customer. (The Associations will permit the immediate billing of merchandise manufactured to the customer's specifications [i.e., special / custom orders] provided the Cardholder has been advised of the billing details.)

- You should provide a copy of the Sales Draft to the Cardholder at the time of delivery. You must also obtain proof of delivery of the goods or services to the address designated by the Cardholder (i.e., by getting a signature of the Cardholder or person designated by the Cardholder through the delivery carrier). If the Cardholder visits one of your locations to receive the goods or services purchased, obtain an imprint of the card and the Cardholder's signature.
- Notify the Cardholder of delivery time frames and special handling and/or cancellation policies. Merchandise shipping dates must be within seven (7) days of the date authorization was obtained. If, after the order has been taken, additional delays will be incurred (e.g., out of stock), notify the Cardholder and reauthorize the transaction.

- You may not require a Cardholder to complete a postcard or other document that displays the Cardholder's account number in clear view when mailed.

- If you accept orders via the Internet, your web site must include the following information in a prominent manner:

- Complete description of the goods or services offered;
- Merchandise return and refund policy;
- Customer service contact, including email address and/or telephone number;
- Transaction currency (U.S. dollars, unless permission is otherwise received from Servicers);
- Any applicable export or legal restrictions;
- Delivery policy;
- Consumer data privacy policy;
- A description of the transaction security used on your website; and
- The sale or disclosure of databases containing Cardholder account numbers, personal information, or other Card transaction information to third parties is prohibited.

- You may not accept Card Account Numbers through Electronic Mail over the Internet.

NOTE: Address Verification Service ("AVS") does not guarantee against Chargebacks, but used properly, it assists you in reducing the risk of fraud by confirming whether certain elements of the billing address provided by your customer match the billing address maintained by the Issuer. AVS also may help you avoid incurring additional interchange expenses. AVS is a separate process from obtaining an Authorization and will provide a separate response. A transaction may not match addresses when submitted for AVS and still receive an Authorization. It is your responsibility to monitor the AVS responses and use the information provided to avoid high-risk transactions.

American Express Internet Charges. Processing a Card Not Present Charge for American Express Transactions you must:

- Submit the Charge to American Express; For Card Not Present Charges, you must create a Sales Draft and ask the Cardholder to provide:
- Card number;
- Card expiration date;

In addition, it is recommended that you ask for:

- Name as it appears on the Card,
- Cardholder's billing address, and
- Ship-to address, if different from the billing address.

American Express will not Chargeback for such charges based solely upon a Card-member claim that he or she did not receive the disputed goods if you have:

- Verified the address to which the goods were shipped was the Cardholder's full billing address.
- Provided proof of delivery signed by the Cardholder or an authorized signer of the Card indicating the delivery of the goods or services to the Card-member's full billing address.

American Express will not be liable for actual or alleged fraudulent transactions over the internet and will have the right to Chargeback for those charges.

For Internet Orders, you must:

- Use any separate merchant numbers (seller ID) established for your internet orders in all of your requests for Authorization and Submission of charges.
- Provide us with at least one (1) month's prior written notice of any change in your internet address.
- Comply with any additional requirements that American Express provides from time to time. Additionally, if a disputed Charge arises involving a Card Not Present Charge that is an internet electronic delivery Charge, American Express may exercise Chargeback for the full amount of the Charge and place you in any of its Chargeback programs.

3.2.1. Discover Network Protocol for Internet Transactions. Each Internet Discover Network Card transaction accepted by you and submitted to us shall comply with Discover Network standards, including, without limitation, Discover Network standards governing the formatting, transmission and encryption of data, referred to as the "designated protocol." You shall accept only those Internet Discover Network Card transactions that are encrypted in accordance with the designated protocol. As of the date of these Operating Procedures, the designated protocol for the encryption of data is Secure Socket Layer (SSL). We may, at our discretion, withhold Settlement until security standards can be verified. However, the designated protocol, including any specifications with respect to data encryption, may change at any time upon thirty (30) days advance written notice. You shall not accept any Internet Discover Network Card transaction unless the transaction is sent by means of a browser which supports the designated protocol.

3.3. Customer Service Telephone Numbers for Card types which are funded by individual non-bank Associations include:

American Express/Optima 1- 800-528-5200

JCB, International 1- 800-366-4522

4. Data Security

THE FOLLOWING IS IMPORTANT INFORMATION REGARDING THE PROTECTION OF CARDHOLDER DATA. PLEASE REVIEW CAREFULLY AS FAILURE TO COMPLY CAN RESULT IN SUBSTANTIAL FINES AND LIABILITIES FOR UNAUTHORIZED DISCLOSURE AND TERMINATION OF THIS AGREEMENT.

4.1. Payment Card Industry Data Security Standards (PCI DSS).

Visa, MasterCard, American Express, Discover Network and JCB aligned data security requirements to create a global standard for the protection of Cardholder data. The resulting Payment Card Industry Data Security Standards (PCI DSS) defines the requirements with which all entities that store, process, or transmit payment card data must comply. PCI DSS is the name used to identify those common data security requirements. The Cardholder Information Security Program (CISP) is Visa USA's data security program, the Site Data Protection (SDP) program is MasterCard's data security program and Discover Network Information Security and Compliance (DISC) is Discover Network's data security program, each based on the PCI DSS and industry aligned validation requirements. PCI DSS compliance validation is focused on any system(s) or system component(s) where Cardholder data is retained, stored, or transmitted, including:

- All external connections into your network (i.e., employee remote access, third party access for processing, and maintenance);
- All connections to and from the authorization and settlement environment (i.e., connections for employee access or for devices such as firewalls, and routers); and
- Any data repository outside of the authorization and settlement environment. The Associations or we may impose fines or penalties, or restrict you from accepting Cards if it is determined that you are not compliant with the applicable data security requirements. We may in our sole discretion, suspend or terminate Card processing Services under your Merchant Agreement for any actual or suspected data security compromise.

Detailed information about DISC, can be found at the PCI DSS Council's website:

www.pcisecuritystandards.org

Detailed information about Visa's CISP program can be found at Visa's CISP website:

www.visa.com/cisp.

- You must maintain a policy that addresses information security for employees and contractors.
- You must restrict physical access to Cardholder information.

Cardholders in either electronic or paper format.

4.3. You may be subject to ongoing validation of your compliance with PCI DSS standards. Furthermore, we retain the right to conduct an audit at your expense, performed by us or a third party designated by us to verify your compliance, or that of your agents or third party providers, with security procedures and these Operating Procedures.

4.4. In the event that transaction data suspected of having been accessed or retrieved by any unauthorized person or entity, contact us immediately. And in no event more than 24 hours after becoming aware of such activity.

4.5. You must, at your own expense (i) perform or cause to be performed an independent investigation (including a forensics analysis) of any data security breach of Card or transaction data, (ii) perform or cause to be performed any remedial actions recommended by any such investigation, and (iii) cooperate with us in the investigation and resolution of any security breach.

4.6. Required Information for Discover Network Security Breaches. For security breaches involving Discover Network transactions and/or track data, you must provide us and/or Discover Network with the following information: (i) the date of breach; (ii) details concerning the data compromised (e.g., account numbers and expiration dates, Cardholder names and addresses, etc.); (iii) the method of such breach; (iv) your security personnel contacts; (v) the name of any person (including law enforcement) assisting you with your investigation of such breach; and (vi) any other information which we reasonably request from you concerning such breach, including forensics reports. You shall provide such information as soon as practicable, and the items listed in (i)-(v) shall be provided to us in any event within 48 hours of your initial notification to us of the breach. Discover Network reserves the right to conduct on-site visits to ensure compliance with its requirements.

4.7. Third Parties. The data security standards set forth above also apply to any agent or third party provider that you may use to store, process or transmit Cardholder data. In addition, such agents or third party providers must be registered with the applicable Association. Therefore, you must:

- Notify us in writing of any agent or third party processor that engages in, or proposes to engage in, the storing, processing or transmitting of Cardholder data on your behalf, regardless of the manner or duration of such activities.
- Ensure that all such agents or third party processors are (i) registered with the applicable payment card brands; and (ii) comply with all applicable data security standards, including, without limitation, the PCI DSS.

You are solely responsible for the compliance of any and all third parties that are given access by you, to Cardholder data, and for any third party software that you may use.

5. Authorizations

Each authorization request you submit to us must fully comply with the applicable provisions of this Agreement. Submission of an authorization request that does not fully comply may result in assessment of additional fees to you, a declined authorization response or a Chargeback to you.

You must obtain an Authorization Approval Code from us (or as provided in Section 5.4) for all transactions. A positive authorization response for MasterCard remains valid for seven (7) days for electronic processed transactions. For true paper merchants for MasterCard and Visa transactions the Authorization remains valid for thirty (30) days. A positive authorization response for Discover Network transactions remains valid for ninety (90) days. Failure to settle within these timeframes, may result in a late presentment Chargeback.

Failure to obtain an Authorization Approval Code for a sales transaction may result in a Chargeback and/or the termination of your Agreement. Authorization Approval Codes can be obtained through your POS Terminal or a Voice Response Unit ("VRU"). Any fees related to authorizations will be charged for a request for an Authorization Approval Code, whether or not the transaction is approved.

Do not attempt to obtain an Authorization Approval Code provided by someone other than us except as described in Section 5.4. If a Cardholder or another service provider provides you with either an authorization number or with a telephone number for obtaining authorizations, the Authorization Approval Code you receive may not be valid. Even if the transaction is initially processed and funded, it may be charged back at a later date. Also, if you receive a purported Authorization Approval Code from someone other than us, we will not have the supporting records and will be unable to verify that you received the authorization if that is later questioned in a Chargeback.

An Authorization Approval Code only indicates the availability of credit on an account at the time the authorization is requested. It does not warrant that the person presenting the Card is the rightful Cardholder, nor is it a promise or guarantee that you will not be subject to a Chargeback.

If you obtain Address Verification, you must review the AVS response separately from the authorization response and make your own decision about whether to accept the transaction. A transaction can receive an Authorization Approval Code from the Card Issuer even if AVS is unavailable or reflects that the address provided to you does not match the billing address on file at the Issuer. If the authorized Cardholder disputes such a transaction, you will be responsible for the

resulting Chargeback.

If you receive a Referral response to an attempted authorization, you may not submit the transaction without calling for and receiving a voice authorization. After receiving a Referral response you may not attempt another authorization on the same Card through your POS Terminal.

If you fail to obtain an Authorization Approval Code or if you submit a Card transaction after receiving a decline (even if a subsequent authorization attempt results in an Authorization Approval Code), your transaction may result in a Chargeback and may be assessed fines or fees by the Associations for which you will be responsible. These currently range from \$25 to \$150 per transaction. To avoid these costs and related Chargebacks, always obtain an Authorization Approval Code directly from your terminal before submitting a transaction for settlement.

For Cards other than MasterCard, Visa and Discover Network (e.g., American Express, JCB, etc.) Or for check acceptance, you must follow the procedures for authorization and acceptance for each.

You may not attempt to obtain multiple authorizations for a single transaction. If a sale is declined, do not take alternative measures with the same Card to obtain an approval of the sale from other authorization sources. Instead, request another form of payment. If you accept and process a transaction that was declined, or attempt multi-transactions and/or multi-authorizations, you are subject to a Chargeback, Association fines and/or cancellation of your Agreement.

5.1. Card Not Present Transactions. You must obtain the 3-digit Card Validation Code (CVV2, CVC2, CID) and submit this Code with all authorization requests with respect to transactions where the Card is not present (e.g., telephone, mail or internet sales). However, for recurring transaction authorizations you should submit the Card Validation Code with the first authorization request only, and not with subsequent recurring transaction authorization requests. (See Section 1.7).

NOTE: For each Card Not Present Discover Network transaction, you must also verify the name and billing address of the Discover Network Cardholder using the Address Verification System (AVS), and if you do not receive a positive match, do not process the Discover Network Card Not Present transaction.

5.2. Authorization via Telephone (Other Than Terminal / Electronic Device

- Call your designated voice authorization toll free number and enter the authorization information into the VRU using a touch tone phone or hold for an authorization representative.

- If advised to pick up a Card, use reasonable and peaceful means to do so, and do not take any action that will alarm or embarrass the Card presenter. You will bear all responsibility for claims, liabilities, costs and expenses as a result of any action by you, your employees, vendors or agents, that attempt to retain a Card without the Issuer's direct request or failure to use reasonable, lawful means in retaining or attempting to retain the Card. Forward the Card to: Attn: Rewards Department, P.O. Box 5019, Hagerstown, MD 21740. You may be paid a reward for the return of the Card.

- On occasion, the Authorization Center will ask you to obtain identification from the Cardholder before issuing an approval code. If you are instructed to do so, clearly write the appropriate identification source and numbers in the space provided on the Sales Draft unless otherwise prohibited by law.

- If the sale is declined, please remember that our operators are only relaying a message from the Card Issuer. The fact that a sale has been declined should not be interpreted as a reflection of the Cardholder's creditworthiness. The Cardholder should be instructed to call the Card Issuer.

5.3. Authorization via Electronic Devices.

- If you use an electronic terminal to obtain an Authorization Approval Code, all sales should be authorized through this equipment. Authorizations through other methods will result in additional charges to you.

- If your terminal malfunctions, refer to your Quick Reference Guide, if necessary, or call the POS Help Desk. The problem will either be corrected promptly or may require terminal programming or replacement. During the period in which your terminal is not functioning, remember to check it periodically since most terminal problems are temporary in nature and are quickly corrected.

- If a terminal is moved or if wires are disconnected, causing malfunction, call the POS Help Desk immediately and follow their instructions. You may be responsible for any service charges incurred for reactivation of the terminal.

- Until the terminal becomes operable, you must call your designated voice authorization toll free number and enter authorization information into the VRU using a touchtone phone. During this time, each transaction must be imprinted using a manual Imprinter machine. Failure to obtain an Authorization Approval Code and to imprint these transactions could result in a Chargeback to your account.

5.4. Third Party Authorization System. If you have contracted with another authorization network to obtain Credit Card authorization, i.e., your terminal can Split Dial, liability resulting from discrepancies with that network must be resolved between you and that network. We will not research Chargebacks resulting from Authorization Approval Codes obtained from another authorization service

organization. Such Chargebacks will be passed through to you for resolution. If an authorization provided by a third party authorization system is challenged in a Chargeback, you must obtain proof (e.g., third party authorization logs) from the authorization source and submit it to us within the time frame specified on the Chargeback documentation.

IF YOU CONTRACTED TO USE ONE OF OUR AUTHORIZATION SERVICES, DO NOT USE ANOTHER THIRD PARTY SYSTEM WITHOUT NOTIFYING CUSTOMER SERVICE. OTHERWISE, WE WILL BE UNABLE TO SUCCESSFULLY RESEARCH AND DEFEND ANY AUTHORIZATION RELATED CHARGEBACKS ON YOUR BEHALF. THIS DELAY WILL SIGNIFICANTLY DECREASE YOUR TIME TO RESEARCH AND PROVIDE PROOF OF AUTHORIZATION, THUS REDUCING YOUR OPPORTUNITY TO REVERSE A CHARGEBACK.

If you utilize another authorization network, you will be responsible for the downgrade of any transactions to a higher cost interchange that result from a mismatch of information to our systems and those of third party authorization networks (see Section 19.1).

If you use a third party authorization network, you must also comply with Section 4.7.

Call the following for other Card types:

American Express/Optima 1-800-528-2121

JCB, International 1-800-522-9345

Voyager 1-800-987-6589

Available 24 hours/day; 7 days/week.

All approved sales authorized in this manner must be entered manually as "post authorization" transactions into the terminal, once the terminal becomes operational. All Credit transactions must be entered into the terminal for data capture. You may be subject to a Chargeback if you receive a Referral and subsequently receive an approval. To reduce the risk of such a Chargeback, the Card should be imprinted using a manual Imprinter machine. (For specific procedures on Electronic Data Capture, refer to the Terminal Operating Instructions / Users Guide.) If the terminal malfunctions for more than twenty-four (24) hours, contact Customer Service for further instructions on processing your transactions.

5.5. Automated Dispensing Machines. Records must be produced for all transactions whose origin and data capture use automated dispensing machines or Limited Amount Terminals. Records should include the Cardholder account number, merchant's name, terminal location, transaction date and amount.

5.6. Pre-Authorization for T&E (Travel & Entertainment) and Restaurant Merchants. If you are a business engaged in providing travel and/or entertainment services (e.g., car rentals, hotels, motels, etc.) or a restaurant business, and engage in the practice of "pre-authorization" you must comply with the following general procedures:

- A hotel, motel, or car rental merchant may obtain an estimated Visa, MasterCard or Discover Network authorization at the time of check-in.
- Restaurants must not add an estimated tip amount to the authorization request beyond the value of the goods provided, or services rendered, plus any applicable tax.
- You must notify the Cardholder of the dollar amount you intend to "Pre-Authorize."
- If the customer decides to use another form of payment (e.g., cash, check, etc.) you must promptly call the Voice Authorization Response Unit to delete the authorization hold. Provide the Cardholder's account number, original dollar amount and date of the transaction, and the authorization code. If a new transaction takes place, a new imprinted and signed Sales Draft for the exact amount and a new authorization code for that amount must be obtained.
- **VEHICLE RENTAL PROVIDERS MAY NOT INCLUDE POTENTIAL VEHICLE DAMAGE OR INSURANCE DEDUCTIBLES IN ANY PREAUTHORIZATIONS.**
- If you receive a decline on a transaction, you must wait twenty-four (24) hours before attempting to reauthorize. If you reauthorize prior to this time frame and receive an approval, you may be subject to a Chargeback and a fine imposed by the Associations.
- Hotels, motels, and car rental merchants are allowed up to a 15% variance above the amount authorized. If the final amount charged to the Cardholder exceeds the original estimate by more than 15% above the preauthorization, you must authorize any additional amounts, and all incremental authorization codes must be written in the authorization area along with the date of authorization and the amount authorized.
- Restaurants are allowed up to a 20% (instead of 15%) variance above the amount authorized. If the final amount exceeds the amount "authorized" by more than 20%, you must authorize the additional amount. Estimating the Authorization amount to include a tip is prohibited. The authorization request should include only the amount associated with the bill presented to the consumer.
- You should obtain an authorization for the initial estimated charges and then monitor the charges to ensure that the actual charges made do not exceed the estimated charges. If the actual charges exceed the amount of the initial estimated authorization (and any subsequent estimated authorizations), then you must secure a positive authorization for the additional amount. **NOTE:** Subsequent authorizations should only be for the additional amount of total charges and not

include amounts already authorized.

- The estimated amount of any pre-authorization for lodging accommodations must be based on (i) the intended length of stay; (ii) the room rate; (iii) applicable taxes and service charges; and (iv) other miscellaneous charges as dictated by experience.
- If an authorization request is declined, no charges occurring after that date will be accepted for that Cardholder.
- You do not need to obtain a final authorization if the total sum of charges (the final amount) does not exceed 120% of the previously authorized charges. You must record the dates, authorized amounts, and their respective Authorization Approval Codes on the Sales Draft(s).

5.7. Discover Network Procedure for Request for Cancellation of Authorization. If a Discover Network Card sale is cancelled or the amount of the transaction changes following your receipt of authorization for the sale, you must call your Authorization Center directly and request a cancellation of the authorization. An authorization may be cancelled at any time within fifteen (15) days of your receipt of the authorization, but must be cancelled before the sales data relating to the transaction is submitted to us, after which the authorization cannot be changed. For an authorization cancellation, you must provide us with the following information, in this order:

- The Discover Network Merchant Number used in the authorization;
- The Card number;
- The original amount of the authorization being cancelled;
- The new amount of the total transaction (if any);
- The original authorization code for the authorization being cancelled;
- The expiration date of the Card; and
- A brief reason for the authorization cancellation.

5.8. Partial Authorization and Authorization Reversal. Partial authorization provides an alternative to a declined transaction by permitting a Card Issuer to return an authorization approval for a partial amount, an amount less than the transaction amount requested by the merchant when the available card balance is not sufficient to approval the transaction in full. The Cardholder is able to use up the remaining funds on the card and select another form of payment (i.e., another payment card, cash, check) for the remaining balance of the transaction. If you support partial authorizations, a partial authorization indicator must be included in each authorization request.

An authorization reversal must be submitted if the authorization is no longer needed, a partial amount of the total authorized is submitted for the settled transaction, or the Cardholder elects not to complete the purchase. The transaction sent for settlement must be no more than the amount approved in the partial authorization response. In the event that you wish to support the partial authorization functionality, you must contact us for additional rules and requirements.

6. Submission/Deposit of Sales and Credit Drafts

6.1. Submission of Sales for Merchants Other Than Your Business You may present for payment only valid charges that arise from a transaction between a bona fide Cardholder and your establishment. If you deposit or attempt to deposit transactions that arise from sales between Cardholders and a different business than the one approved by us in our Agreement with you, then the transaction may be charged back, we may suspend or debit funds associated with all such transactions, and we may immediately terminate your account and the Agreement.

6.1.1. Factoring. For Discover Network transactions, Factoring is considered merchant fraud and strictly prohibited, unless you are registered with us as a Payment Service Provider. Factoring is the submission of authorization requests and/or Sales Drafts by a merchant for Card transactions transacted by another business. If you submit Sales Drafts on behalf of another Person, you will suffer any losses associated with the disputes of the Discover Network Card Sales. Also if any fraud is involved, you could face criminal prosecution.

6.2. Timeliness. In order to qualify for the lowest interchange Discount Rate, all Sales and Credit Drafts must be properly completed and submitted daily. If you have not received payment for submitted Sales Drafts after one (1) week from your normal payment date, contact Customer Service. **Late Submission of Sales or Credit Drafts may result in increased interchange rates or fees or in a Chargeback to you.**

6.3. Mail / Branch Deposit Procedures. Complete the appropriate summary form designated for your use. Imprint the completed summary with your Merchant Identification Card, if applicable, and sign it. Please do not staple or clip Sales Drafts together or to summary forms. This will distort the Cardholder's account number and may result in a Summary Adjustment or Chargeback to you. Mail your deposits daily to us, or, if your Agreement allows deposit at a local bank branch, you must make daily deposits.

Do not send us the merchant copies (which are for your records); submit only the Bank hard copies of the transactions. If merchant copies are submitted, they will be returned to you unprocessed.

6.4. Electronic Merchants: Daily Batching Requirements & Media Submission. Batches must be transmitted to us by the time indicated on the

Additional Important Information page in Part IV, Section A.2 of the Agreement in order to be processed on the date of transmission. Additionally, if you deposit via magnetic tape, electronic transmissions, or Electronic Data Capture terminal, and have contracted to send the actual Sales and Credit Drafts to us for microfilming and retrieval, the Sales and Credit Drafts (Media) must be batched daily by register/terminal following the procedures below. Failure to do so may result in a processing fee and/or a Chargeback due to our inability to retrieve the Media as requested by the Card Issuer.

- A register/terminal Batch header form must be filled out for each Batch of Media.
- The Batch header must be imprinted with your Merchant Identification Card, and all areas completed properly (i.e., Batch number, date, amount, number of items, etc.).
- The Batch/deposit total must match to the settled/reconciled amount displayed on the terminal upon closing the Batch.
- Any discrepancies between the actual Media and electronic display must be reconciled and corrected before storing the Media (for merchants who contract to hold their Media) or before sending us the copies of the deposit. Otherwise, transactions may appear to be a new Submission and may be manually keyed (causing duplicate billing to Cardholders and resulting in Chargebacks) or we may not be able to retrieve an item when requested by the Card Issuer.
- It is your responsibility to ensure that the actual Media is batched correctly and, depending on the terms of your Agreement, either stored at your location or sent to Processor. (In some cases, the actual Media is sent daily to your head office, and forwarded to Processor for microfilming.)
- **You must confirm that your equipment has transmitted its Batches to us at least once daily.** Even if your equipment is designed or programmed to close and submit Batches without your intervention, it is ultimately your responsibility to confirm that the Batches have been transmitted to us for processing.

7. Settlement

Your funds for MasterCard / Visa / Discover Network transactions will be processed and transferred to your financial institution within two (2) Business Days from the time a Batch is received by Processor if your financial institution is the Bank. If your financial institution is not the Bank, your MasterCard / Visa / Discover Network transactions will be processed via the Federal Reserve within two (2) Business Days from the time a Batch is received by Processor. The Federal Reserve will transfer such amounts to your financial institution.

8. Refunds/Exchanges (Credit)

8.1. Refunds

- You must promptly complete and submit a Credit Draft for the total amount of the refund, which must include the following information:
 - The account number and expiration date;
 - The Cardholder's name;
 - Your name, city, state and Merchant Account Number;
 - A description of the goods or services;
 - The transaction date of the Credit;
 - The total amount of the Credit; and
 - For Discover Network transactions, the approved currency used and the signature of your authorized representative or employee.
- Full refunds must be for the exact dollar amount of the original transaction including tax, handling charges, etc. (You must identify the shipping and handling charges incurred.) The refund amount may not be for more than the original Credit Card sale amount.
- All dollar amounts and other handwritten information must be clearly written. (Stray marks on the Credit Draft will render it unscannable / illegible.)
- Do not circle or underline any information on the Credit Draft.
- Imprint the draft with the same Card used by the Cardholder to make the original purchase. You should not credit an account that differs from the account used for the original transaction.
- Never give cash, check or in-store Credit refunds for Credit Card sales.
- Have the Cardholder sign the Credit Draft, give the Cardholder the appropriate copy, and deposit the Credit Draft immediately. Failure to process a Credit within five (5) calendar days may result in a Chargeback.
- Authorization is not required for refunds.
- You cannot intentionally submit a sale and an offsetting Credit at a later date solely for the purpose of debiting and crediting your own or a customer's account.
- You are responsible for paying all refunds submitted to us on your merchant account. We assume no responsibility for verifying any Credits or refunds.
- **YOU ARE RESPONSIBLE TO SECURE YOUR TERMINALS AND TO INSTITUTE APPROPRIATE CONTROLS TO PREVENT EMPLOYEES OR OTHERS FROM SUBMITTING REFUNDS THAT DO NOT REFLECT BONA FIDE RETURNS OR REIMBURSEMENTS OF PRIOR TRANSACTIONS.**

8.1.1 Processing a Credit for American Express Transactions.

These are additional requirements for a Credit for purchases or payments made on an American Express Card.

To issue a Credit, you must:

1. Compare the last four digits on the Sales Draft against the Card presented (when applicable).
 2. Have the Cardholder sign the Credit Draft (when applicable).
 3. Provide a copy of the Credit Draft to the Cardholder.
- You must not issue a Credit when there is no corresponding Charge, nor issue a Credit in exchange for cash or other consideration from a Cardholder. You must submit all Credits under the establishment where the Credit originated. A Credit must be issued in the currency in which the original Charge was submitted to us. You must issue Credits to the Card used to make the original purchase; however, if the Credit is for the return of a gift by someone other than the Cardholder who made the original purchase, apply your usual refund policy.

If the Cardholder indicates that the Card on which the purchase was originally made is no longer active or available, do the following:

- For all Cards except Prepaid Cards, advise the Cardholder that you must issue the Credit to that Card. If the Cardholder has questions, advise him or her to call the customer service number on the back of the Card in question.
- If the inactive or unavailable Card is a Prepaid Card, apply your usual refund policy for returns.

If you issue a Credit, American Express will not refund the discount or any other fees or assessments previously applied on the corresponding Charge. The discount on Chargebacks will not be refunded.

Your return and cancellation policies must be fair and clearly disclosed at the time of sale in compliance with applicable law. Your policies must be conveyed to the Cardholder prior to completion of the Charge and printed on a copy of a receipt or Sales Draft. Your refund policy for purchases on the American Express Card must be at least as favorable as your refund policy for purchases made with other payment products or other payment methods.

Return Policy recommendations.

Provide clear return instructions for your customers, including the following information:

- Customer service telephone number.
 - Reference number for the return.
 - Expected processing time for the Credit.
 - Return address, preferably on a pre-formatted shipping label (if applicable). You must submit all Credits to us within seven (7) days of determining that a Credit is due.
- Cancellation Policy Recommendations.**
- Provide document cancellation policy and terms and conditions on the contract the Cardholder signs, or on your website, as applicable.
 - Provide Cardholder with a cancellation number that can be tracked in your records.

American Express Return Policy For Prepaid Products.

If your return policy for the purchase of prepaid products is different from your standard return policy, you must ensure that such prepaid product-specific return policy is clearly disclosed to the Cardholder at the time of purchase in accordance with applicable law and also coded to print on all receipts and copies of Sales Drafts you provide to Cardholders.

8.2. Exchanges.

- No additional paperwork is necessary for an even exchange. Just follow your standard company policy.
- For an uneven exchange, complete a Credit Draft (follow the procedures outlined in Section 8.1) for the total amount of only the merchandise returned. The Cardholder's account will be credited for that amount. Then, complete a new Sales Draft for the total amount of any new merchandise purchased.

9. Retention of Records for Retrievals and Chargebacks

9.1. Retain Legible Copies.

For MasterCard and Visa: You must securely retain legible copies of all Sales and Credit Drafts or any other transaction records for a period of eighteen (18) months from the date of each transaction and a period of five (5) years for the retention of healthcare Sales and Credit Drafts.

For Discover Network: You must securely retain legible copies of all Sales and Credit Drafts or any other transaction records for the longer of (i) 365 days or (ii) the resolution of any pending or threatened disputes, claims, disagreements or litigation involving the Card transaction. You must also keep microfilm or other copies of Sales Drafts for no less than three (3) years from the date of the Discover Network transaction.

9.2. Provide Sales and Credit Drafts. You must provide all Sales and Credit Drafts or other transaction records requested by us within the shortest time limits established by Association Rules. You are responsible for any deficiencies in Card transaction data transmitted or otherwise delivered to us.

9.3. Ensure Proper Retrieval Fulfillment. To ensure proper Retrieval fulfillments and/or Chargeback processing, Sales and Credit Drafts must contain the full sixteen (16) digit account number and expiration date. Failure to retain this information could result in a future Chargeback to your account.

10. Chargebacks, Retrievals and Other Debits

10.1. Chargebacks.

10.1.1. Generally. Both the Cardholder and the Card Issuer have the right to question or dispute a transaction. If such questions or disputes are not resolved, a Chargeback may occur. A Chargeback is a Card transaction that is returned to us by the Card Issuer. As a result, we will debit your Settlement Account or settlement funds for the amount of the Chargeback. It is strongly recommended that, whenever possible, you contact the Cardholder directly to resolve a disputed transaction or Chargeback, unless the dispute involves a Discover Network Cardholder, in which case Discover Network rules and regulations expressly prohibit you from contacting the Discover Network Cardholder regarding the dispute. You are responsible for all Chargebacks and related costs arising from your transactions.

10.1.2. Transaction Documentation Requests. In some cases, before a Chargeback is initiated, the Card Issuer will request a copy of the Sales Draft, via a request for transaction documentation. We will forward the request to you. **You must respond to the request within the time frame and manner set forth in the request. We will then forward your response to the Card Issuer. If you fail to timely respond, we will so notify the Card Issuer and a Chargeback may result.** Upon receipt of a transaction documentation request, immediately retrieve the requested Sales Draft(s) using the following guidelines:

- Make a legible copy, centered on 8-1/2 x 11-inch paper (only one (1) Sales Draft per page).
- Write the 'case number' from the request for transaction documentation on each copy/page.
- If applicable, make copies of a hotel folio, car rental agreement, mail/phone/Internet order form, or other form of receipt.
- If a Credit transaction has been processed, a copy of the Credit Draft is also required.
- Letters are not acceptable substitutes for Sales Drafts.
- Fax or mail legible copies of the Sales Draft(s) to the fax number or mail address provided on the request form.
- If you fax your response, please set your fax machine to print your fax number and name on the documents that you send. We can use this information to help determine where the documentation received originated from should additional research be required.
- Additionally, please set the scan resolution on your fax machine to the highest setting. The higher resolution setting improves the clarity of characters and graphics on the Sales Drafts transmitted and helps reduce the number of illegible fulfillments and/or Chargebacks.

If we do not receive a clear, legible and complete copy of the transaction documentation within the timeframe specified on the request, you may be subject to a Chargeback for "non-receipt" for which there is no recourse.

A handling fee may be charged by the Issuer and will be debited from your Settlement Account or settlement funds if, a transaction documentation request results from a difference in the following information on the Sales Draft and the transmitted record: merchant name or an incorrect city, state, foreign country and/or transaction date.

10.1.3. Chargeback Process. Regardless of whether you respond to a transaction documentation request, a Chargeback may be debited to your Settlement Account for numerous reasons (see below). If the Card Issuer submits a Chargeback, we will send you a Chargeback notification, which may also include a request for transaction documentation. **Due to the short time requirements imposed by MasterCard, Visa and Discover Network, it is extremely important that you respond to a Chargeback notification and transaction documentation request within the time frame set forth in the notification.** Do not process a Credit transaction once a Chargeback is received; the Card Issuer will Credit the Cardholder's account if the information you provide is both timely and, in our sole discretion, sufficient to warrant a representation of the transaction and/or reversal of the Chargeback, we will do so on your behalf. However, representation and/or reversal is ultimately contingent upon the Card Issuer and/or Cardholder accepting the transaction under applicable Association guidelines. Representation or reversal is not a guarantee that the Chargeback has been resolved in your favor.

For Visa Chargebacks: If we reverse the Chargeback and represent the transaction to the Card Issuer, the Card Issuer, at its sole discretion, may elect to submit the matter for arbitration before Visa. Visa currently charges a \$250 filing fee and a \$250 review fee. If a decision is made in favor of the Cardholder and/or Card Issuer, and the Chargeback is upheld, you will be responsible for all such fees and any other applicable fees and penalties imposed by Visa, as they may change from time to time. Such fees and penalties will be debited from your Settlement Account or settlement funds, in addition to the Chargeback.

For MasterCard Chargebacks: If we reverse the Chargeback and represent the transaction to the Card Issuer, the Card Issuer, at its sole discretion, may elect to resubmit the Chargeback. In such event, at the discretion of Processor, we will debit your Settlement Account or settlement funds for the Chargeback. However, if you feel strongly that it is an invalid Chargeback, we may, on your behalf and at your request, submit the matter for arbitration before MasterCard. MasterCard currently charges a \$150 filing fee and a \$250 review fee. If a decision is made in favor of the

Cardholder and/or Card Issuer, and the Chargeback is upheld, you will be responsible for all such fees and any other penalties imposed by MasterCard as they may change from time to time. Such fees and penalties will be debited from your Settlement Account or settlement funds, in addition to the Chargeback.

For Discover Network Chargebacks: If Discover Network rejects our representation request and you feel strongly that the Chargeback is invalid, we may, at the discretion of Processor and on your behalf and at your request, submit the matter for dispute arbitration before Discover Network. Discover Network charges fees for representation requests and an arbitration fee as published in their fee schedule.

If the Chargeback is not disputed within the applicable time limits set forth by MasterCard, Visa, and Discover Network rules and regulations, reversal rights are forfeited. Our only alternative, for Visa and MasterCard non-fraud Chargeback reason codes, is to attempt a "good faith collection" from the Card Issuer on your behalf. This process can take up to six (6) months and must meet the Card Issuer's criteria (e.g., at or above a set dollar amount). Good faith collection attempts are not a guarantee that any funds will be collected on your behalf. Card Issuers normally charge good faith collection fees, which are deducted from the transaction amount if accepted in addition to any processing fees that are charged by us.

NOTE: Discover Network does not offer good faith collection for Acquirers. MasterCard and Visa Association Rules require that a merchant make a good faith Attempt and be willing and able to resolve any disputes directly with the Cardholder.

Discover Network rules and regulations, however, prohibit you and/or us from contacting the Cardholder directly regarding dispute(s) or any other matter, except as required for acceptance of Discover Network transactions, and require you and/or us to submit any responses to dispute notices directly to Discover Network. Due to Association Rules, you may not re-bill a Cardholder after a Chargeback is received for that transaction, even with Cardholder authorization.

We strongly recommend that you include a detailed rebuttal letter along with all pertinent documents when responding to a transaction request or a Chargeback notification (e.g., rental agreement, imprinted portion of the invoice or Sales Draft; the portion signed by the Cardholder; and the area where the authorization codes, with amounts and dates, are located).

Due to the short time frames and the supporting documentation necessary to successfully (and permanently) reverse a Chargeback in your favor, we strongly recommend the following:

- Avoid Chargebacks by adhering to the guidelines and procedures outlined in these Operating Procedures.

- If you do receive a Chargeback, investigate, and if you dispute the Chargeback, submit the appropriate documentation within the required time frame.

- Whenever possible, contact the Cardholder directly to resolve the dispute, unless the dispute relates to a Discover Network Cardholder, in which case direct contact with the Discover Network Cardholder regarding the dispute is prohibited by Discover Network Association Rules.

- If you have any questions, call Customer Service.

10.1.4. Chargeback Reasons. The following section outlines the most common types of Chargebacks. This list is not exhaustive. For ease of understanding, we have combined like Chargebacks into seven groupings. We have included recommendations on how to reduce the risk of Chargebacks within each group. These are recommendations only, and do not guarantee that you will be able to prevent Chargebacks.

1. Authorization Issues: Proper Authorization procedures were not followed and valid Authorization was not obtained.

The following scenarios could cause an Authorization Related Chargeback to occur:

- Authorization not obtained.
- Authorization was declined.
- Transaction processed with an expired card and Authorization was not obtained.
- Transaction was processed with an invalid account number and Authorization was not obtained.
- Card Recovery Bulletin (CRB) or Exception File was not checked (transactions below floor limit).

To reduce your risk of receiving an Authorization Related Chargeback:

- Obtain valid Authorization on the day of the transaction.
 - Card Present Transactions-Authorization must be obtained on the transaction date for the amount settled.
 - Card Not Present Transactions-Authorization must be obtained on the transaction date for the amount settled. However, if merchandise is being shipped, Authorization must be obtained within seven calendar days of the transaction ship date.
- If a declined response is received request another form of payment from the Cardholder.
- If a Referral response is received follow proper voice procedures to obtain a valid Authorization and obtain an imprint of the card.
- "Pick-up" response indicates that the Issuer is requesting for the card to be retained and returned back to them. The Credit Card should not be accepted

for payment. Additionally, you can choose to retain the Credit Card and return it to the Acquirer for a reward.

- Merchants should not exceed any predetermined thresholds for specific terminal types as specified by each Payment Card Company.

2. Cancellations and Returns: Credit was not processed properly or the Cardholder has cancelled and/or returned items.

The following scenarios could cause a Cancellation and Return Related Chargeback to occur:

- Cardholder received damaged or defective merchandise.
- Cardholder continued to be billed for cancelled recurring transaction.
- Credit transaction was not processed.

To reduce your risk of receiving a Cancellation and Return Related Chargeback:

- Issue Credit to the Cardholder on the same account as the purchase in a timely manner.

- Do not issue Credit to the Cardholder in the form of cash, check or in-store/merchandise Credit as we may not be able to recoup your funds in the event the transaction is charged back.

- Ensure customers are fully aware of the conditions for recurring transactions. Cancel recurring billings as soon as notification is received from the customer or as a Chargeback, and Issue a Credit as needed to the cardholder in a timely manner.

- Pre-notify the Cardholder of billings within 10 days (Domestic) and 15 (International) prior to billing, allowing the Cardholder time to cancel the transaction.

- Provide proper disclosure of your refund policy for returned/cancelled merchandise, or services to the cardholder at the time of transaction.

- Card present, cardholder signed the Sales Draft containing disclosure

- If applicable, the words "NO EXCHANGE, NO REFUND," etc. must be clearly printed in 1/4-inch lettering on the Sales Draft near or above the Cardholder signature.

- Ecommerce, provide disclosure on website on same page as check out showing Cardholder must click to accept prior to completion.

- Card Not Present, provide cancellation policy at the time of the transaction.

- Provide cancellation numbers to Cardholder's when lodging services are cancelled.

- Ensure delivery of the merchandise or services ordered to the Cardholder.

3. Fraud: Transactions that the Cardholder or authorized user claim are unauthorized; the account number is no longer in use or is fictitious, or the merchant was identified as "high risk."

The following scenarios could cause a Fraud Related Chargeback to occur:

- Multiple transactions were completed with a single card without the Cardholder's permission

- Counterfeit card was utilized and proper acceptance procedures were not followed

- Authorization was obtained; however, full track data was not transmitted

- Cardholder states that they did not authorize or participate in the transaction

To reduce your risk of receiving a Fraud Related Chargeback: Card Present Transactions:

- Obtain an Authorization for all transactions

- American Express customers have the option to receive written notification of the recurring transaction at least (10) days prior to submitting, or any time the Charge amount exceeds a maximum amount that has been set by the cardholder.

- Obtain an Authorization for all transactions.

- If you are an electronic merchant, magnetically swipe all card transactions through your electronic authorization device to capture Cardholder information and ensure the displayed Cardholder number matches the number on the card

- If you are unable to swipe the card or if a Referral response is received, imprint the card using a valid imprinting device that will capture the embossed card and merchant information. Do not alter the imprint on the draft in any way. Manually entering the information into the terminal does not protect you from this type of Chargeback. All pertinent information relating to the transaction must be written on the manually imprinted draft (transaction date, dollar amount, and authorization code and merchandise description) along with the Cardholder signature.

NOTE: Do not imprint on the back of a signed draft. The imprint must be on the transaction document that contains all transaction elements to prove the card was present at the time of the transaction.

- Obtain the Cardholder signature for all transactions, ensure the signature on the draft matches the signature on the back of the card.

- Process all transaction one time and do not batch out transaction multiple times.

- Educate staff on procedures to eliminate point of sale (POS) fraud.

Card Not Present Transactions:

- Participation in recommended Fraud Prevention Tools:

- CVV2, CVC2 and CID Verification

NOTE: While transactions utilizing these tools may still be disputed, the service

may assist you with your decision to accept the card for the transaction.

- Ensure you ship to the AVS confirmed address (bill to and ship to should match).

- Obtain Authorization for all transactions.

- Ensure merchant descriptor matches the name of the business and is displayed correctly on the Cardholder statement.

- Ensure descriptor includes correct business address and a valid customer service number.

The following scenarios could cause a Cardholder Dispute Chargeback to occur:

- Services were not provided or merchandise was not received by the Cardholder.
- The Cardholder was charged prior to merchandise being shipped or merchandise was not received by agreed upon delivery date or location.

- Cardholder received merchandise that was defective damaged or unsuited for the purpose sold, or did not match the description on the transaction documentation/ verbal description presented at the time of purchase.

- Cardholder paid with an alternate means and their Credit Card was also billed for the same transaction.

- Cardholder cancelled service or merchandise and their Credit Card was billed.

- Cardholder billed for a transaction that was not part of the original transaction document.

- Contact the cardholder in writing if the merchandise or service cannot be provided or is delayed, and offer the cardholder the option to cancel if your internal policies allow.

- In the event that the cardholder received defective merchandise or the merchandise received was not as described; resolve the issue with the cardholder at first contact.

- If the merchandise is being picked up by the Cardholder have them sign for the merchandise after inspection that it was received in good.

- Do not charge the Cardholder until the merchandise has been shipped, ship according to the agreed upon terms and obtain signed Proof of Delivery from the Cardholder.

- If unable to provide services or merchandise, issue credit to cardholder in a timely manner.

- Accept only one form of payment per transaction and ensure the cardholder is only billed once per transaction.

- Do not bill Cardholder for loss, theft or damages unless authorized by the Cardholder.

B. CARD GENERAL TERMS

14. Special Provision for American Express

The provisions in this Section 14 apply to American Express Card acceptance and Transactions.

14.1. Card Acceptance. If you elect to accept American Express Cards under the

Agreement, You must accept the American Express Card as payment for goods and services sold (other than those goods or services identified under "Prohibited Uses of the American Express Card" below), or (if applicable) for charitable contributions made, at all of your establishments, except as expressly permitted by applicable law. You are jointly and severally liable for the obligations of your establishments under the Agreement.

14.2. Arbitration Agreement for Claims Involving American Express. In the event that you or we are not able to resolve a Claim this Section 14.2 explains how Claims may be resolved through arbitration. You or we or American Express may elect to resolve any Claim by binding individual arbitration. Claims will be decided by a neutral arbitrator.

If arbitration is elected by any party to resolve a Claim, the parties' understand and agree that neither you nor we nor American Express will have the right to litigate or have a jury trial on that Claim in court. Further, you, we, and American Express understand and agree that the parties will not have the right to participate in a class action or in a representative capacity or in a group of persons alleged to be similarly situated pertaining to any Claim subject to arbitration under this Agreement. Arbitrator's decisions are final and binding, with very limited review by a court, and once confirmed by a court of competent jurisdiction, an arbitrator's final decision on a Claim is generally enforceable as a court order. Other rights you, we, or American Express would have in court may also not be available in arbitration.

i. Initiation of Arbitration. Claims may be referred to either JAMS or AAA, as selected by the party electing arbitration. Claims will be resolved pursuant to this Section 14.2 and the selected arbitration organization's rules in effect when the Claim is filed, except where those rules conflict with this Agreement. Contact JAMS or AAA to begin an arbitration or for other information. Claims may be referred to another arbitration organization if all parties agree in writing, if [American Express or we, on one hand, selects the organization and you, on the other hand,] select the other within 30 days thereafter or if an arbitrator is appointed pursuant to section 5 of the Federal Arbitration Act, 9 U.S.C. §§ 1-16 (FAA). Any arbitration hearing will take place in New York, NY.

ii. Limitations on Arbitration. If any party elects to resolve a Claim by arbitration, that Claim will be arbitrated on an individual basis. No Claim is to be arbitrated on a class or purported representative basis or on behalf of the general public or other persons allegedly similarly situated. The arbitrator's authority is limited to Claims between you, us, and American Express. An arbitration award and any judgment confirming it will apply only to the specific case brought by you, us or American Express and cannot be used in any other case except to enforce the award as between you, us and American Express. This prohibition is intended to, and does, preclude you from participating in any action by any trade association or other organization against American Express. Notwithstanding any other provision in this Section 14.2, if any portion of these Limitations on Arbitration set forth in this Section 14.2 (ii) is found invalid or unenforceable, then the entire Section 14.2 (other than this sentence) will not apply, except that you, we, and American Express do not waive the right to appeal that decision.

iii. Previously Filed Claims/No Waiver. You, we, or American Express may elect to arbitrate any Claim that has been filed in court at any time before trial has begun or final judgment has been entered on the Claim. You, we, or American Express may choose to delay enforcing or to not exercise rights under this Section 14.2, including the right to elect to arbitrate a claim, without waiving the right to exercise or enforce those rights on any other occasion. For the avoidance of any confusion, and not to limit its scope, this Section 14.2 applies to any class-action lawsuit relating to the "Honor All Cards," "non-discrimination," or "no steering" provisions of the American Express Merchant Regulations, or any similar provisions of any prior American Express Card acceptance agreement, that was filed against American Express prior to the effective date of the Agreement to the extent that such claims are not already subject to arbitration pursuant to a prior agreement between Merchant and American Express.

iv. Arbitrator's Authority. The arbitrator will have the power and authority to award any relief that would have been available in court and that is authorized under this Agreement. The arbitrator has no power or authority to alter the Agreement or any of its separate provisions, including this Section 14.2.

v. Split Proceedings for Equitable Relief. You, we, or American Express may seek equitable relief in aid of arbitration prior to arbitration on the merits if necessary to preserve the status quo pending completion of the arbitration. This Section 14.2 shall be enforced by any court of competent jurisdiction.

vi. Small Claims. American Express will not elect arbitration for any Claim you properly file in a small claims court so long as the Claim seeks individual relief only and is pending only in that court.

vii. Governing Law/Arbitration Procedures/Entry of Judgment. This Section 14.2 is made pursuant to a transaction involving interstate commerce and is governed by the FAA. The arbitrator shall apply New York law and applicable statutes of limitations and honor claims of privilege recognized by law. The arbitrator shall apply the rules of the arbitration organization selected, as applicable to matters relating to evidence and discovery, not federal or any state rules of procedure or evidence, provided that any party may ask the arbitrator to expand discovery by making a written request, to which the other parties will have 15 days to respond before the arbitrator rules on the request. If your Claim is for \$10,000

or less, you may choose whether the arbitration will be conducted solely based on documents submitted to the arbitrator, through a telephonic hearing, or by an in person hearing under the rules of the selected arbitration organization. At the timely request of a party, the arbitrator will provide a written opinion explaining his/her award. The arbitrator's decision will be final and binding, except for any rights of appeal provided by the FAA. Judgment on an award rendered by the arbitrator may be entered in any state or federal court in the federal judicial district where your headquarters or your assets are located.

viii. Confidentiality. The arbitration proceeding and all information submitted, relating to or presented in connection with or during the proceeding, shall be deemed confidential information not to be disclosed to any person not a party to the arbitration. All communications, whether written or oral, made in the course of or in connection with the Claim and its resolution, by or on behalf of any party or by the arbitrator or a mediator, including any arbitration award or judgment related thereto, are confidential and inadmissible for any purpose, including impeachment or estoppel, in any other litigation or proceeding; provided, however, that evidence shall not be rendered inadmissible or non-discoverable solely as a result of its use in the arbitration.

ix. Costs of Arbitration Proceedings. You will be responsible for paying your share of any arbitration fees (including filing, administrative, hearing or other fees), but only up to the amount of the filing fees you would have incurred if you had brought a claim in court. American Express will be responsible for any additional arbitration fees. At your written request, American Express will consider in good faith making a temporary advance of your share of any arbitration fees, or paying for the reasonable fees of an expert appointed by the arbitrator for good cause.

x. Additional Arbitration Awards. If the arbitrator rules in your favor against American Express for an amount greater than any final settlement offer American Express made before arbitration, the arbitrator's award will include: (1) any money to you are entitled as determined by the arbitrator, but in no case less than \$5,000; and (2) any reasonable attorneys' fees, costs and expert and other witness fees incurred by you.

xi. Definitions. For purposes of this Section 14.2 only, (i) "American Express" includes its Affiliates, licensees, predecessors, successors, or assigns, any purchasers of any receivables, and all agents, directors, and representatives of any of the foregoing, (ii) "You" includes your Affiliates, licensees, predecessors, successors, or assigns, any purchasers of any receivables and all agents, directors, and representatives of any of the foregoing, and (iii) "Claim" means any allegation of an entitlement to relief, whether damages, injunctive or any other form of relief, against American Express or any other entity (including you or us) that American Express has the right to join, including any allegation involving a transaction using an American Express product or network or regarding an American Express policy or procedure.

14.3. Treatment of the American Express Brand. Except as expressly permitted by applicable law, you must not:

- indicate or imply that you prefer, directly or indirectly, any other payment products over the Card,
- try to dissuade Cardholders from using the Card,
- criticize or mischaracterize the Card or any of American Express' services or programs,
- try to persuade or prompt Cardholders to use any other payment products or any other method of payment (e.g., payment by check),
- impose any restrictions, conditions, disadvantages or fees when the Card is accepted that are not imposed equally on all other payment products, except for electronic funds transfer, or cash and check,
- suggest or require Cardholders to waive their right to dispute any transaction,
- engage in activities that harm the American Express business or the American Express Brand (or both),
- promote any other payment products (except your own private label card that you issues for use solely at your establishments) more actively than you promote the Card, or
- convert the currency of the original sale transaction to another currency when requesting Authorization or submitting transactions (or both).

You may offer discounts or in-kind incentives from your regular prices for payments in cash, ACH funds transfer, check, Debit Card or Credit Card, provided that (to the extent required by applicable law): (i) you clearly and conspicuously disclose the terms of the discount or in-kind incentive to your customers, (ii) the discount or in-kind incentive is offered to all of your prospective customers, and (iii) the discount or in-kind incentive does not differentiate on the basis of the issuer or, except as expressly permitted by applicable law and Card Organization (e.g., Visa, MasterCard, Discover, JCB, American Express). The offering of discounts or in-kind incentives in compliance with the terms of this section will not constitute a violation of the provisions set forth in the above section "Treatment of the American Express Brand."

14.4. Prohibited Uses of the American Express Card. You must not accept the Card for any of the following:

- Adult digital content sold via internet electronic delivery,
- Amounts that do not represent bona fide sales of goods or services (or, if applicable, amounts that do not represent bona fide charitable contributions made)

14.10. Third Party Beneficiary Rights. American Express is a direct and intended third-party beneficiary of this Agreement, and may enforce any terms of this Agreement that apply to American Express, including American Express Card acceptance and transaction processing, directly against you.

14.11. Your Right to Opt Out of American Express Card Acceptance You may opt out of accepting American Express Cards at any time without directly or indirectly affecting your rights to accept any other payment products. In order to opt out you must complete the Limited Acceptance Form. To obtain a copy of this form you must call Processor at the Customer Service Number stated in Part IV, Section A.5 of the Program Guide.

14.12. Collections from American Express Cardholder. You may not bill or collect from any American Express Cardholder for any purchase or payment on the American Express Card unless a Charge back has been exercised, you have fully paid for such Charge, and you otherwise have the right to do so.

14.13. Completing a Transaction at the Point of Sale. All valid transactions begin with a Cardholder's purchase at the point of sale. Whether the physical Card is used to facilitate a Card present Charge, or the Cardholder provides his or her Cardholder Information over the phone, via mail order, or the internet, the transaction must not be completed without the Card and/or information provided by the Cardholder. To accept the Card for charges at your establishments, at the point of sale, you must:

- Clearly and conspicuously, disclose all material terms of sale prior to obtaining an Authorization, and
- Clearly and conspicuously inform Cardholders at all points of interaction (e.g., sales conducted in person, over the internet, mobile or via mail or telephone order) what Entity is making the sales offer, so that the Cardholder can clearly distinguish you from any other party involved in the interaction (e.g., a vendor of goods or provider of services you may engage, or another merchant seeking to conduct business with the Cardholder).

The transaction data you collect to facilitate the Charge must be or have been provided directly to you by the Cardholder. You must not accept or have accepted transaction data from, nor shall you provide or have provided transaction data to, any third parties other than your covered parties (as defined in the Data Security Operating Policy (DSOP)). If you fail to comply with this requirement, you may be charged non-compliance or other fees as indicated on the Merchant Processing Application and/or have your Card acceptance privileges at required your establishments suspended or disintitled.

14.14. In Person Charges. In-person charges refer to charges in which the Card and Cardholder are present at the point of sale. An example of this is when a Cardholder presents a Card to the merchant at a retail store. For all in-person charges, the Card must be presented. There are several ways in which you can conduct the in-person Charge. The steps you take vary according to how you go about conducting in-person charges: (electronic or key-entered charges).

14.15. Electronic charges or Key Entered Charges. Electronic Point of Sale Systems automatically capture required information from the Card so it can be used to request Authorization for the Charge. Electronic charges can be conducted in a variety of ways depending on the type of Card presented.

- Magnetic Stripe Cards – contain Card Member and Card account information on the stripe on the back of the Card, or in a contactless Chip embedded in the Card.
- Chip Cards – contain a Chip on which data is stored (including Card Member and Card account information), which the Point of Sale System can read in order to guide the processing of the Transaction.

Some Magnetic Stripe and Chip Cards may be read over the contactless interface

of the Point of Sale System. The Charge Record is then created from the information captured during the electronic Charge.

14.16. Magnetic Stripe Card Charges

When presented with a Card at the point of sale you must:

- Verify that the Card is not visibly altered or mutilated

- Verify that the customer is the Cardholder (Cards are not transferable).
- Obtain an Authorization Approval.

- Capture Magnetic Stripe data by swiping the Card (unless the Charge was already initiated by waving the contactless chip Card in close proximity to the point of sale system).

- Match the Card number and the expiration date on the Card to the same information on the Sales Draft.

- Ensure the name that prints on the Sales Draft matches the name on the front of the Card except when the Card holder name is not captured on the Sales Draft or for prepaid Cards that do not show a name on their face.

- Validate the Card's presence by taking an imprint of the Card (the imprint is for your records). Failure to validate the Card's presence by taking an imprint of the Card can render merchant liable for Charge backs if the Card-member disputes the Charge, except when the Cardholder name is not captured on the Sales Draft or for prepaid Cards that do not show a name on their face.

14.17. American Express Mobile Contactless Charges.

When presented with a contactless-enabled mobile phone, in addition to the "Magnetic Stripe Card Charges" requirements, you must:

- Capture Magnetic Stripe or chip Card data by waving the contactless-enabled mobile phone in close proximity to the contactless reader.

- Compare the signature (when obtained) on the Sales Draft with the signature on the companion physical Card or a valid form of formal identification (e.g. driver's license). You must not record or store the information from such formal identification in any way.

If a mobile contactless transaction cannot be processed for any reason, you should require that the Cardholder provide the companion physical Card to complete the transaction.

14.18. American Express Contact Chip Charges.

When presented with a chip Card to be inserted into a chip Card reader, in addition to the "Magnetic Stripe Card Charges" requirements, you must:

- Capture chip Card data by inserting the Card into the chip Card reader, the point of sale system will advise Cardholders to enter their PIN (a chip and PIN Charge) or sign for the Charge (a chip and signature Charge).

- Chip and PIN Charges. Cardholders will enter their PIN into the point of sale system using the keypad. If the chip and PIN Charge are unable to be completed due to a technical problem, the point of sale system will show an error message.

- Chip and signature Charge. Failure to obtain a signature, when required, can render you liable for Chargebacks if the Cardholder disputes the Charge. Obtaining a signature may not be required if merchant's establishment and the Charge qualify for the No Signature Program.

14.19. American Express Contactless Chip Charges.

When presented with a chip Card to be read via a contactless reader and the Charge qualifies for the No Signature Program, in addition to the "Magnetic Stripe Card Charges" requirements, you must:

- Capture Magnetic Stripe or chip Card data using the contactless reader.

For charges that do not qualify under the No Signature Program, follow the relevant Card acceptance procedures outlined in either:

- "Magnetic Stripe Card Charges," or
- "Contact Chip Card Charges."

14.20. American Express Key-Entered Charges.

If a Card cannot be read electronically, in addition to the "Magnetic Stripe Card Charges" requirements, you must:

- Key enter the data.

14.21. Keyed No Imprint for American Express Transactions.

Your establishments may be eligible to participate in the American Express "Keyed No Imprint Program." The "Keyed No Imprint Program" allows you to submit in-person charges without taking an imprint of the Card if you meet the following Charge criteria:

- All Cards qualify for the "Keyed No Imprint Program."
- The Charge must be key-entered.

- The Charge Submission must include the appropriate indicator to reflect that the Card and the Cardholder were present at the point of sale.

- The Charge Submission must include a valid approval, and;

- The CID Number must be confirmed as a positive match. Under the "Keyed No Imprint Program," Chargebacks will not be exercised for such charges based solely on the establishment's failure to obtain an imprint of the Card. If a disproportionate amount or number of disputed charges under the "Keyed No Imprint Program" occurs, you must cooperate to reduce the number of disputed charges. If such efforts fail, you may be placed in any of American Express' Chargeback programs or your participation in the "Keyed No Imprint Program" may be modified or terminated.

14.22. Merchant Website Information Display Guidelines.

- An accurate description of the goods/services offered, including the currency type for the transaction (e.g., U.S. Dollars). Transaction currency must be in U.S.

Dollars.

- Your physical address in the U.S.

- An email address and a telephone number for customer service disputes.
- Return/refund policy.

- A description of your delivery policy (e.g., No COD, No overnight).

- A description of your security practices (e.g., information highlighting security practices you use to secure transactions conducted on the internet).

- A statement of known export restrictions, tariffs, and any other regulations.

- A privacy statement regarding the type of personal information collected and how the information is used. Additionally, you must provide to customers the option to decline being included in marketing campaigns or having their personal information included on lists sold to third parties.

14.23. Aggregated Charges.

If you are classified as an internet industry, you may process aggregated charges, provided the following criteria are met:

- Clearly disclose your intent and obtain written consent from the Card-member that their purchases or refunds (or both) on the Card may be aggregated and combined with other purchases or refunds (or both) before you request an Authorization.

- Each individual purchase or refund (or both) that comprises the aggregated Charge must be incurred under the same merchant number and on the same Card.
- Obtain a pre-Authorization of no more than \$15.00

- Create a Sales Draft for the full amount of the aggregated Charge.

- The amount of the aggregated Charge must not exceed \$15 or the amount for which you obtained pre-Authorization.

- Submit each Sales Draft within our submission timeframe.

- Provide the Cardholder with an email containing the date, amount, and description of each individual purchase or refund (or both) that comprises the aggregated Charge, and the date and the amount of the aggregated Charge.

14.24. American Express Prepaid Card Security Features.

Although there are a number of unique prepaid Cards, all prepaid Cards share similar features, except that Prepaid Cards may or may not be embossed, and the following features may appear on the front or back of the Card (or a combination of both):

- The American Express logo generally appears in the bottom right corner.

- The words PREPAID or INCENTIVE will generally be shown above the American Express logo.

- Cards pre-loaded with funds may show the dollar amount or the total points (reloadable Cards generally will not show a number).

- The CID Number will appear usually above the Card number or above the logo.

- The Card number appears on the Card.

- The valid date or expiration date appears on the Card.

- The recipient's name or company name may appear on the Card.

14.25. American Express Processing Prepaid Cards

Prepaid Cards are available for a variety of uses: gifting, travel, incentive, etc. All American Express prepaid Cards show the American Express "Blue Box" logo either on the face or back of the prepaid Card. Prepaid Cards may or may not be embossed. Most prepaid Cards can be used for both in-store and online purchases. Prepaid Cards are valid through the date on the Card. Simply swipe the Card at the point of sale just like any other Card. A prepaid Card must be tendered for an amount that is no greater than the funds available on the Card.

- Instruct Cardholders that, before making a purchase, they must check their remaining funds by calling the twenty-four (24) hour, toll-free number on the back of the Card, checking online or using the mobile app offered by their Issuer, where available.

- Because prepaid Cards are pre-funded, if you receive a decline when seeking Authorization, ask the customer to call the toll-free number on the back of the Card to confirm that the purchase price does not exceed the available funds on the prepaid Card.

- If the prepaid Card does not have enough funds to cover the purchase price, process a split tender transaction or request an alternative form of payment.

- You must create a Sales Draft for a prepaid Card as you would any other Card. Be on the lookout for Suspect Transactions.

14.26. American Express Policies and Procedures for Specific Industries.

This Section 14.26 states additional American Express policies and procedures applicable to merchants classified in specific industries. All other provisions and requirements of this Agreement apply to these merchants as well. To the extent possible, the provisions of this Section 14.26 and the other provisions of the Agreement applicable to American Express transactions shall be interpreted to give each their full effect. However, if a conflict is deemed to exist between them, then the provisions of this Section 14.26 shall govern.

14.26.1. Auto dealers:

This section applies to merchants classified in an auto dealer industry.

The following requirements will apply to charges for the down payment or the entire purchase price of new and used motor vehicles. You may accept the Card for down payment of a motor vehicle, subject to the following provisions:

- You must not submit a Charge for the down payment price of a used motor vehicle

unless and until you have a written agreement/bill of sale signed by the Cardholder setting forth the terms of the sale, including down payment price, and your cancellation policy.

- In addition to its other Chargeback rights, American Express also has Chargeback rights for any portion of the Charge for the down payment price of a used motor vehicle which is disputed by the Cardholder, if such disputed charge cannot be resolved in your favor based upon unambiguous language contained in the written agreement/bill of sale.

- Should a Cardholder exercise his or her right to rescind the written agreement/bill of sale during any rescission period set forth in the Cardholder's agreement with you or at law, you shall submit a Credit to us promptly.

- If American Express has classified you as an auto dealer of used motor vehicles exclusively, the down payment must not exceed 50% of the full purchase price of the motor vehicle.

- If the Cardholder denies making or authorizing the Charge, American Express will have Chargeback rights for such Charge in addition to our other Chargeback rights.

- You may also accept the Card for the entire purchase price of a new or used motor vehicle, subject to the following provisions:

- You are classified as an auto dealer of new or new and used motor vehicles (i.e. Your dealership sells new motor vehicles exclusively or both new and used motor vehicles).

- The amount of the Charge does not exceed the total price of the motor vehicle after deduction of applicable discounts, taxes, rebates, cash down payments, and trade-in values.

- You must not submit a Charge for the entire purchase price of a new or used motor vehicle unless and until you have a written agreement/bill of sale signed by the Cardholder setting forth the terms of the sale, including purchase price, delivery date and your cancellation policy.

- In addition to other Chargeback rights, American Express also has Chargeback rights for any portion of the Charge for the entire purchase price of a new or used motor vehicle which is disputed by the Cardholder, if such disputed Charge cannot be resolved in your favor based upon unambiguous language contained in the written agreement/bill of sale.

- Should a Cardholder exercise his or her right to rescind the written agreement/bill of sale during any rescission period set forth in the Cardholder's agreement with you or at law, you shall submit a Credit to us promptly.

- If the Cardholder denies making or authorizing the Charge and you have not transferred title or physical possession of the motor vehicle to the Cardholder, American Express will have Chargeback rights for such Charge in addition to its other Chargeback rights.

14.26.2. Business-to-Business (B2B)/ Wholesale Distribution

If you are classified in the business-to-business (B2B) or wholesale distribution industries, and American Express determines that you are not in the telecommunications industry, then notwithstanding the prohibition in Section 14.4, "Prohibited Uses of the Card", you may accept the Card for overdue amounts to the extent that acceptance of overdue amounts is a common practice in your industry and does not constitute an attempt to obtain payment from the Cardholder whose prior methods of payment have, in American Express' reasonable judgment, been difficult to collect or uncollectible. An indicator of such difficulty, for example, may be the fact that you have sent a customer account to collections.

To minimize your risk of a Chargeback with B2B Charges, always:

- Obtain a signature for all in-person charges. For Card Not Present Charges, obtain Proof of Delivery, and

- Maintain clear and accurate records of orders and returns.

Notwithstanding the restriction in Section 6, you must not submit any Charge until the goods have been shipped or services have been provided to the Cardholder. To the extent that you have clearly disclosed your intentions to the Card -member and the Cardholder agrees, then you may submit the following types of Charges to us before you ship the goods to the Card member:

- Charges representing deposits on custom and special orders (so long as you comply with applicable law) or goods not in inventory at the time the order is placed.

- Charges representing advance, partial, or full payment for goods that the Cardholder requests you to ship at a later date.

14.26.3. Insurance

This section contains provisions specific to establishments that are classified in the insurance industry. If any of your goods or services are sold or billed by independent agencies, then you must provide to American Express a list of such independent agencies and notify us of any subsequent changes in the list. American Express may use this list to conduct mailings that encourage such independent agencies to accept the Card.

American Express may mention your name in such mailings, and you must provide us with a letter of endorsement or assistance as American Express may require.

You must use your best efforts to encourage independent agencies to accept the Card. American Express acknowledges that you have no control over such independent agencies. From time to time, and subject to prohibited uses of the Card, American Express may establish joint marketing campaigns that promote Card acceptance specifically at your establishments or, generally, at insurance

companies. A necessary purpose for which you submit Cardholder Information that is responsive to such joint marketing campaigns includes American Express' use of that information to perform back-end analyses to determine the success of such joint marketing campaigns.

American Express undertakes no responsibility on your behalf for the collection or timely remittance of premiums. American Express will not be subject to any liability, under any circumstances, for any claim arising from, or related to, any insurance policy issued by you or your agencies.

If the Card is accepted as payment for fixed rate cash value life insurance policies or fixed rate annuities under the Agreement, you represent and warrant to Processor that the fixed rate cash value life insurance policies and fixed rate annuities for which the Card will be accepted for premium payments are not securities requiring registration under the Securities Act of 1933.

14.26.4. Oil/Petroleum

If you are classified in the oil and petroleum industry, American Express may place you in the Fraud Full Recourse Program if you accept charges originating at a Customer Activated Terminal (CAT) gas pump. American Express will not exercise Chargeback up to a certain dollar amount for charges that qualify under the Oil Fraud Protection Program described below.

Oil/Petroleum Requirements

If you are classified in the oil and petroleum industry, you must:

- Obtain a unique Merchant Account Number for your CAT gas pump sales. If you conduct any other business at your establishment (e.g., convenience store sales, car washing services), you must obtain a unique Merchant Account Number for those lines of business.

- Submit dealer location data along with each Authorization request and each Submission file. Dealer location data consists of your businesses:

- dealer number (store number) - name

- street address - city

- postal code.

Oil/Petroleum Recommendations

American Express has implemented several policies and fraud prevention tools to assist in combating fraud at the gasoline pump.

American Express recommends that you:

- Set a pre-Authorization request of \$100 at your CAT gas pumps.

- For higher charges such as diesel, adjust the pre-Authorization amount to accommodate the higher charges.

- Set your CAT gas pumps to shut off when they reach the pre-Authorization amount.

- Request a separate Authorization for purchases that exceed the original pre-Authorization amount.

Oil Fraud Protection Program

The Oil Fraud Protection Program addresses counterfeit fraud Chargebacks at fuel pump CATs. Under this program, American Express will not exercise Chargeback for the amount of the Charge up to \$100 provided that both the establishment and each Charge meet the following criteria:

- The Authorization request meets the data requirements listed under CATs.

- The Authorization request must include the correct merchant category code (MCC) for "automated fuel dispensers" (5542),

- The Issuer determines that the Card used to initiate the Charge was counterfeit, and,

- The establishment qualified for Chargeback protection under the program at the time of the Charge, as follows:

For an establishment to qualify under the Oil Fraud Protection Program, it (i) must authorize and submit Transactions under the unique Merchant Account Number (Seller ID) assigned to the establishment, and (ii) must have, in a given month, a counterfeit fraud to Charge volume ratio below 1%. An establishment whose counterfeit fraud to Charge volume ratio rises to or exceeds 1% in a given month will not qualify under the Oil Fraud Protection Program until the ratio falls below 1% for three (3) consecutive months. Notwithstanding the foregoing, the Oil Fraud Protection Program does not apply to merchants that submit one Merchant Account Number (Seller ID) consolidated charges from multiple establishments (i.e., central submitters) or to the establishments that those merchants submit on behalf of. American Express offers a variety of fraud prevention tools which may enable merchants to reduce fraud in order to qualify and retain eligibility for the program.

14.26.5. Restaurants

If you are classified in the restaurant or bar industry, then the following Authorization procedures apply. If the final restaurant or bar Charge is no greater than the amount for which you obtained Authorization plus 20% of that amount, no further Authorization is necessary. If the final restaurant or bar Charge is greater than the amount for which you obtained Authorization by more than 20%, you must obtain Authorization for any additional amount of the Charge that is greater than the original Authorization. When submitting the Charge, only include the initial approval.

14.26.6. Telecommunications

If American Express classifies you in the Telecommunications industry, notwithstanding anything to the contrary in the Agreement, American Express may

place you in one or more of the following Chargeback programs: Partial Immediate Charge back Program for an amount of \$50 or less; or Fraud Full Recourse Program.

- American Express may establish audit procedures determined in American Express' discretion to ensure that no charges except for recurring billing charges are submitted under the Merchant Account Number designated for recurring billing charges.

- We may request that you provide us with a list of Affiliates and the list you provide must include any agency in the geographic area where you offer any telecommunications services.

14.26.7. Government/Utilities/Education

This section applies to merchants classified in the government, utilities, or certain education industries (i.e. higher education, private school-kindergarten to grade 12). Customers should feel free to use all forms of payment that you accept without being penalized for choosing a particular form of payment. To promote consumer choice, you are generally prohibited from imposing any restrictions, conditions, or disadvantages when the Card is accepted that are not imposed equally on all other payment products. See "Treatment of the American Express Brand".

Merchants in these specific industries may assess convenience fees on charges, provided that they comply with the other requirements of this section, as follows:

- Merchants must not impose a higher convenience fee on charges than it imposes on other payment products, except for Automated Clearing House funds transfers, cash, and checks.

- Merchants classified as government Entities, including government utilities, and privately owned utilities may assess convenience fees on all Charges.

- Merchants classified as educational institutions may assess convenience fees only on charges for tuition, room and board, school lunch payments or other mandatory fees.

- You must clearly disclose the amount of convenience fees to the customer and give the customer the opportunity to cancel the Charge if the customer does not want to pay the convenience fee.

Any explanation, verbal or written, describing why the convenience fee is being assessed, or how it is calculated, must characterize the convenience fee as an assessment to cover your administrative costs and not as an assessment to cover your cost of accepting the Card.

You must obtain separate Authorizations and Approval codes for each of the principal charges and the convenience fee. Furthermore, the descriptor on the convenience fee must clearly state that it is a convenience fee (e.g., Official Payments – City of X (principal payment) and Official Payments Convenience Fee (convenience fee)).

Your third-party service provider can only assess a convenience fee when it accepts the Card for the foregoing charges in compliance with the requirements of this section.

14.26.8. Internet/Online Pharmacies

If it is determined that you are an internet/online pharmacy merchant that accepts the Card for sales of prescription medications (as defined by applicable law) in the Card Not Present environment:

- You must be certified by the Verified Internet Pharmacy Practice Sites program of the National Association of Boards of Pharmacy (www.nabp.net), or, · You or your authorized representative must at test that you comply with the licensing and inspection requirements of (i) U.S. federal law and the state in which you are located and (ii) each state to which you dispense pharmaceuticals.

Upon request, you must promptly provide documentation that you fulfill the foregoing requirements. Specific procedures exist for transaction processing by internet/online merchants.

Online/mail order tobacco retail

If you are classified or it is otherwise determined that you are an online or mail order (or both) tobacco or e-cigarette merchant, then you must provide the website address of the online store from which you sell your tobacco products. If your website facilitates tobacco sales, you will be required on request to provide an executed and notarized Affidavit of Compliance with Laws - Online/Mail Order Tobacco. If you fail to complete the Affidavit, Card acceptance privileges may be suspended. American Express may monitor your website.

14.27. American Express-Excessive Disputes

You may be subject to various fees and assessments as set forth on the Application, including fees for excessive disputes. Some fees and assessments are for special products or services, while others may be applied based upon non-compliance of American Express policies and procedures. Many non-compliance fees and assessments can be avoided by correcting the actions that are causing such non-compliance.

14.28. American Express Right to Modify or Terminate Agreement.

American Express has the right to modify the Agreement with respect to American Express Card transactions or to terminate your acceptance of American Express

Card transactions and to require Processor to investigate your activities with respect to American Express Card transactions.

From time to time, we may amend the Operating Procedures, by providing you with at least 20 days' prior written notice, and those provisions will be deemed incorporated into this Agreement. However, for changes in the Association Rules or for security reasons, certain changes in Card procedures may become effective on shorter notice. If there are any inconsistencies between the General Terms and the Operating Procedures, the General Terms will govern.

17. Settlement of Card Transaction

17.1. We will only be required to settle Card transactions for Card types specified in your Application. Promptly after presentment of Sales Drafts pursuant to the Operating Procedures, we will initiate a transfer of the applicable settlement funds to you.

17.2. All settlements for Visa, MasterCard and Discover Network Card transactions will be net of Credits / refunds, adjustments, applicable discount fees when due, Chargebacks and any other amounts then due from you. We may also set off from any payments otherwise due, any amounts owed to our affiliates (and/or affiliates of Bank) whether or not arising out of or related to this Agreement.

17.3. All Credits to your Settlement Account or other payments to you are provisional and are subject to, among other things, our final audit, Chargebacks (including our related losses), fees and fines imposed by the Associations. 17.4. We will not be liable for any delays in receipt of funds or errors in debit and Credit entries caused by third parties including but not limited to any Association or your financial institution.

17.5. In addition to any other remedies available to us under this Agreement, you agree that should any Event of Default (see Section 24) occur, we may, with or without notice, change processing or payment terms and/or suspend Credits or other payments of any and all funds, money and amounts now due or hereafter to become due to you pursuant to the terms of this Agreement, until we have had reasonable opportunity to investigate such event.

18. Exclusivity

During the term of this Agreement, you shall use us as your exclusive provider of all Services.

19. Fees; Adjustments; Collection of Amount Due

19.1. You shall be charged fees for the Services, which shall be calculated and payable pursuant to this Agreement and any additional pricing supplements. You acknowledge that the fees agreed to are based on the assumption that your transactions will qualify for certain interchange levels (your Anticipated Interchange Levels), as set by the applicable Association. If a transaction fails to qualify for your Anticipated Interchange Levels, then the Association will downgrade the transaction and process it at a more costly interchange level for which it does qualify. In that event, you shall be charged a Non-Qualified Interchange Fee, which is the difference in the interchange fee associated with the Anticipated Interchange Level and the interchange fee associated with the interchange level at which the transaction actually was processed; plus, any applicable Non-Qualified Surcharge for each non-qualifying transaction, the amount of which is set forth in the service fee schedule. For more information on Visa's and MasterCard's interchange rates, please go to www.visa.com and www.mastercard.com.

19.2. All authorization fees will be charged for each transaction that you attempt to authorize. All capture fees will be charged for each transaction that you transmit to us for settlement.

19.3. The fees for Services set forth in this Agreement are based upon assumptions associated with the anticipated annual volume and average transaction size for all Services as set forth in this Agreement and your method of doing business. If the actual volume or average transaction size are not as expected or if you significantly alter your method of doing business, we may adjust your discount fee and transaction fees without prior notice.

19.4. The fees for Services set forth in this Agreement may be adjusted to reflect increases or decreases by Associations in interchange, assessments and other

Association fees or to pass through increases charged by third parties for on-line communications and similar items. All such adjustments shall be your responsibility to pay and shall become effective upon the date any such change is implemented by the applicable Association or third party.

19.5. Subject to Section 24.3, we may also increase our fees for Services for any other reason by notifying you twenty (20) days prior to the effective date of any such change.

19.6. If you receive settlement funds by wire transfer, we may charge a wire transfer fee per wire.

19.7. To the extent the Automated Clearing House ("ACH") settlement process is used to effect debits or Credits to your Settlement Account, you agree to be bound by the terms of the operating rules of the National Automated Clearing House Association, as in effect from time to time. You hereby authorize us to initiate credit and debit entries and adjustments to your account through the ACH settlement process and/or through direct instructions to the financial institution where your Settlement Account is maintained for amounts due under this Agreement and under any agreements with us or our affiliates for any related services, as well as for any credit entries in error. You hereby authorize the financial institution where your Settlement Account is maintained to effect all such debits and credits to your account. This authority will remain in full force and effect until we have given written notice to the financial institution where your Settlement Account is maintained that all monies due under this Agreement and under any other agreements with us or our affiliates for any related services have been paid in full.

19.8. You agree to pay any fines imposed on us by any Association resulting from Chargebacks and any other fees or fines imposed by an Association with respect to your acts or omissions. You are also responsible for any fines or fees imposed on us as a result of acts or omissions by your agents or third parties.

19.9. If you violate the Association Rules or are fined by any Association, you agree that this will result in minimum damages to Processor in the amount of ten percent (10%) multiplied times your average monthly processing volume and you shall pay that amount to Processor on each such occurrence. The parties expressly agree that the damages, which Processor might reasonably anticipate to be sustained by Processor, are difficult to ascertain and measure because of their indefiniteness or uncertainty and that the amount set forth above is a reasonable estimate of the damages that would probably be caused and shall be due regardless of proof of actual damages.

19.10. If you believe any adjustments should be made with respect to your Settlement Account, you must notify us in writing within 45 days after any debit or Credit is or should have been effected. If you notify us after such time period, we may, in our discretion, assist you, at your expense, in investigating whether any adjustments are appropriate and whether any amounts are due to or from other parties, but we shall not have any obligation to investigate or effect any such adjustments. Any voluntary efforts by us to assist you in investigating such matters shall not create any obligation to continue such investigation or any future investigation.

20. Chargebacks

20.1. You shall be responsible for reimbursing us for all transactions you submit that are charged back. See the Operating Procedures for additional information regarding Chargebacks and Chargeback procedures.

20.2. You shall reimburse us for any Chargebacks, return items, or other losses resulting from your failure to produce a Card transaction record requested by us within the applicable time limits.

21. Representations; warranties; limitations On liability; exclusion of consequential damages

21.1. Without limiting any other warranties hereunder, you represent and warrant as to each Card transaction submitted under our Agreement that:

21.1.1. The Card transaction represents a bona fide sale/rental of merchandise or services not previously submitted;

21.1.2. The Card transaction represents an obligation of the Cardholder for the amount of the Card transaction;

21.1.3. The amount charged for the Card transaction is not subject to any dispute, setoff or counterclaim;

In the event that you make an assignment (or provide a security interest) of receivables covered by this Agreement, then we may, at our option, elect to (a) refuse to acknowledge such assignment unless accompanied by an Authorization to both initiate debits or Credits to the bank account of the assignee, (b) terminate this Agreement immediately, or (c) charge for any transfers that we are called upon to make manually to fulfill such an assignment at the rate of \$100 per transfer.

24. Terms; Events of Default

24.1. This Agreement shall become effective upon the date this Agreement is approved by our Credit Department.

24.2. The initial term of this Agreement shall commence and shall continue in force for three years after it becomes effective. Thereafter, it shall automatically renew for a one year term until either party terminates the Agreement.

24.3. Notwithstanding the above or any other provisions of this Agreement, we may terminate this Agreement at any time and for any reason by providing 30 days' advance notice to you. We may terminate this Agreement immediately or with shorter notice upon an Event of Default as provided under Section 24.4 of this Agreement. In the event we provide notice to you of an increase in the fees for Services, pursuant to Section 19.5, you may terminate this Agreement without further cause or penalty by providing us 30 days advance written notice of termination. You must terminate within 30 days after we provide notice of the Section 19.5 fee increase. The Section 19.5 fee increase shall not take effect in the event you provide timely notice of termination. However, your continued use of our Services after the effective date of any increase shall be deemed acceptance of the increased fees for Services, throughout the term of this Agreement.

24.4. If any of the following events shall occur (each an "Event of Default"):

24.4.1. A material adverse change in your business, financial condition, business procedures, prospects, products or services; or

24.4.2. Any assignment or transfer of voting control of you or your parent; or

24.4.3. A sale of all or a substantial portion of your assets; or

24.4.4. irregular Card sales by you, excessive Chargebacks, noncompliance with any applicable data security standards, as determined by Servicers, of any Card Association, or any other entity, or an actual or suspected data security breach, or any other circumstances which, in our sole discretion, may increase our exposure for your Chargebacks or otherwise present a financial or security risk to us; or

24.4.5. any of your representations or warranties in this Agreement are breached in any material respect or are incorrect in any material respect when made or deemed to be made; or

24.4.6. you shall default in any material respect in the performance or observance of any term, covenant, condition or agreement contained in this Agreement, including, without limitation, the establishment or maintenance of funds in a Reserve Account, as detailed in Section 25; or

24.4.7. You shall default in any material respect in the performance or observance of any term, covenant or condition contained in any agreement with any of our affiliates; or

24.4.8. You shall default in the payment when due, of any material indebtedness for borrowed money; or

24.4.9. you shall file a petition or have a petition filed by another party under the Bankruptcy Code or any other laws relating to bankruptcy, insolvency or similar arrangement for adjustment of debts; consent to or fail to contest in a timely and appropriate manner any petition filed against it in an involuntary case under such laws; apply for or consent to, or fail to contest in a timely and appropriate manner, the appointment of, or the taking of possession by, a receiver, custodian, trustee or liquidator of itself or of a substantial part of its property; or make a general assignment for the benefit of creditors; or take any corporate action for the purpose of authorizing any of the foregoing; or

24.4.10. Your independent certified accountants shall refuse to deliver an unqualified opinion with respect to your annual financial statements and your consolidated subsidiaries; or

24.4.11. a violation by you of any applicable law or Association Rule or our reasonable belief that termination of this Agreement or suspension of Services is necessary to comply with any law including without limitation the rules and regulations promulgated by the Office of Foreign Assets Control of the US Department of the Treasury or your breach, as determined by Servicers, of Section 33.2 ("Compliance with Laws"); then, upon the occurrence of (1) an Event of Default specified in subsections

23.4.4, 23.4.9 or 23.4.11, we may consider this Agreement to be terminated immediately, without notice, and all amounts payable here under shall be immediately due and payable in full without demand or other notice of any kind, all of which are expressly waived by you, and (2) any other Event of Default, this Agreement may be terminated by us giving not less than 10 days' notice to you, and upon such notice all amounts payable here under shall be due and payable on demand.

24.5. Neither the expiration nor termination of this Agreement shall terminate the obligations and rights of the parties pursuant to provisions of this Agreement which by their terms are intended to survive or be perpetual or irrevocable. Such provisions shall survive the expiration or termination of this Agreement. All obligations by you to pay or reimburse us for any obligations associated with transactions you have submitted to us are intended to survive termination of this Agreement.

24.6. If any Event of Default shall have occurred and regardless of whether such Event of Default has been cured, we may, in our sole discretion, exercise all of our rights and remedies under applicable law, and this Agreement including, without limitation, exercising our rights under Section 25.

24.7. In the event you file for protection under the Bankruptcy Code or any other laws relating to bankruptcy, insolvency, assignment for the benefit of creditors or similar laws, and you continue to use our Services, it is your responsibility to open new accounts to distinguish pre and post filing obligations. You acknowledge that as long as you utilize the accounts you established prior to such filing, we will not be able to systematically segregate your post-filing transactions or prevent set-off of the pre-existing obligations. In that event, you will be responsible for submitting an accounting supporting any adjustments that you may claim.

24.8. The Associations often maintain lists of merchants who have had their Merchant Agreements or Card Acceptance rights terminated for cause. If this Agreement is terminated for cause, you acknowledge that we may be required to report your business name and the names and other information regarding its principals to the Associations for inclusion on such list(s). You expressly agree and consent to such reporting if you are terminated as a result of the occurrence of an Event of Default or for any reason specified as cause by Visa, MasterCard or Discover Network. Furthermore, you agree to waive and hold us harmless from and against any and all claims which you may have as a result of such reporting.

24.9. After termination of this Agreement for any reason whatsoever, you shall continue to bear total responsibility for all Chargebacks, fees, Credits and adjustments resulting from Card transactions processed pursuant to this Agreement and all other amounts then due or which thereafter may become due under this Agreement.

25 Reserve Account; Security Interest

25.1. You expressly authorize us to establish a Reserve Account pursuant to the terms and conditions set forth in this Section 25. The amount of such Reserve Account shall be set by us, in our sole discretion, based upon your processing history and the potential risk of loss to us as we may determine from time to time.

25.2. The Reserve Account shall be fully funded upon three (3) days' notice to you, or in instances of fraud or suspected fraud or an Event of Default, Reserve Account funding may be immediate. Such Reserve Account may be funded by all or any combination of the following: (i) one or more debits to your Settlement Account or any other accounts held by Bank or any of its affiliates, at any financial institution vested in the name of Client, any of its principals, or any of its guarantors, or if any of same are authorized signers on such account; (ii) any payments otherwise due to you; (iii) your delivery to us of a letter of credit; or (iv) if we so agree, your pledge to us of a freely transferable and negotiable certificate of deposit. Any such letter of credit or certificate of deposit shall be issued or established by a financial institution acceptable to us and shall be in a form satisfactory to us. In the event of

termination or expiration of this Agreement by any party, an immediate Reserve Account may be established without notice in the manner provided above. Any Reserve Account will be held by us for the greater of ten (10) months after termination or expiration of this Agreement or for such longer period of time as is consistent with our liability for Card transactions and Chargebacks in accordance with Association Rules. Your funds will be held in an account commingled with reserve funds of our other Clients, without involvement by an independent escrow agent. Unless specifically agreed in writing by us or specifically required by applicable law, funds held by us in a Reserve Account shall not accrue interest. Notwithstanding the foregoing, we shall be entitled to accrued interest on any such funds held.

25.3. If your funds in the Reserve Account are not sufficient to cover the Chargebacks, adjustments, fees and other charges due from you, or if the funds in the Reserve Account have been released, you agree to promptly pay us such sums upon request.

25.4.1. To secure your obligations to Servicers and our affiliates under this Agreement and any other agreement for the provision of related equipment or related services (including any obligations for which payments on account of such obligations are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy act, state or federal law, common law or equitable cause), you grant to Servicers a first priority lien and security interest in and to (i) the Reserve Account and (ii) any of your funds pertaining to the Card transactions contemplated by this Agreement now or hereafter in the possession of Servicers, whether now or hereafter due or to become due to you from Servicers. Any such funds, money or amounts now or hereafter in the possession of Servicers may be commingled with other funds of Servicers, or, in the case of any funds held pursuant to the foregoing paragraphs, with any other funds of other customers of Servicers. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, Servicers are hereby authorized by you at any time and from time to time, without notice or demand to you or to any other person (any such notice and demand being hereby expressly waived), to set off, recoup and to appropriate and to apply any and all such funds against and on account of your obligations to Servicers and their affiliates under this Agreement and any other agreement with Servicers or any of Servicers' affiliates for any related equipment or related services (including any check services), whether such obligations are liquidated, unliquidated, fixed, contingent, matured or unmatured. You agree to duly execute and deliver to Servicers such instruments and documents as Servicers may reasonably request to perfect and confirm the lien, security interest, right of set off, recoupment and subordination set forth in this Agreement.

25.4.2. To the extent funds are held in a separate Reserve Account, the Reserve Account shall be subject to (i) Servicers' security interest pursuant to this subsection 25.4, and (ii) an account control agreement (as defined by the applicable sections of the Uniform Commercial Code, hereinafter referred to as "Control Agreement") among you, the institution at which the Reserve Account is held (such institution hereinafter referred to as "Settlement Account") and Servicers (such investment account hereinafter referred to as the "Control Account"). The Control Agreement shall be in form and substance satisfactory to Servicers. The Settlement Account shall be a National Association bank which is mutually acceptable to you and Servicers.

25.4.3. For sake of clarification and notwithstanding anything in the Agreement to the contrary, in the event Servicers deduct, holdback, suspend, off set or set off (collectively "Set Off Funds") any settlement monies or amounts otherwise due you pursuant to the terms of this Agreement, you acknowledge that such Set Off Funds will be held in a commingled Reserve Account (s) of Servicers (as described in this subsection 25.4) unless such Set Off Funds are wired or deposited by Servicers into any Control Account, pursuant to a Control Agreement in which case Servicers will transfer Set Off Funds from their commingled Reserve Account(s) to the Control Account as soon as practicable using commercially reasonable efforts.

25.4.4. If in replacement of or in addition to the first priority lien and security interest in the Reserve Account, you grant to Servicers a first priority lien and security interest in and to one or more certificates of deposit, the certificates of deposit shall be uncertificated and shall be subject to an Acknowledgement of Pledge of Certificate of Deposit and Control Agreement (the "Certificate of Deposit Control Agreement") by, between and among Customers, Servicers and the financial institution that has established and issued the certificate of deposit. The form of the Certificate of Deposit Control Agreement and the financial institution that will establish and issue the certificate of deposit shall be satisfactory and acceptable to Servicers.

26. Financial and Other Information

26.1. Upon request, you will provide us quarterly financial statements within 45 days after the end of each fiscal quarter and annual audited financial statements within 90 days after the end of each fiscal year. Such financial statements shall be prepared in accordance with generally accepted accounting principles. You will also provide such other financial statements and other information concerning your

business and your compliance with the terms and provisions of this Agreement as we may reasonably request. You authorize us to obtain from third parties financial and credit information relating to you in connection with our determination whether to accept this Agreement and our continuing evaluation of the financial and credit status of you. We may also access and use information which you have provided to Bank for any other reason. Upon request, you shall provide to us or our representatives reasonable access to your facilities and records for the purpose of performing any inspection and/or copying of your books and/or records deemed appropriate. In such event, you shall pay the costs incurred by us for such inspection, including, but not limited to, costs incurred for airfare and hotel accommodations.

26.2. You will provide us with written notice of any judgment, writ, warrant of attachment, execution or levy against any substantial part (25% or more in value) of your total assets not later than three (3) days after you become aware of same.

27. Indemnifications

27.1. You agree to indemnify and hold us harmless from and against all losses, liabilities, damages and expenses: (a) resulting from any breach of any warranty, covenant or agreement or any misrepresentation by you under this Agreement; (b) arising out of your or your employees' or your agents' negligence or willful misconduct, in connection with Card transactions or otherwise arising from your provision of goods and services to Cardholders; (c) arising out of your use of our Service; or (d) arising out of any third party indemnifications we are obligated to make as a result of your actions (including indemnification of any Association or Issuer).

27.2. We agree to indemnify and hold you harmless from and against all losses, liabilities, damages and expenses resulting from any breach of any warranty, covenant or agreement or any misrepresentation by us under this Agreement or arising out of our or our employees' gross negligence or willful misconduct in connection with this Agreement; provided that this indemnity obligation shall not apply to Bank with respect to Discover Network Card Transactions, American Express Card Transactions and Other Services, including JCB Card, PIN Debit Card, and Electronic Benefits Transfer Transactions, and Transactions involving Cards from other Non-Bank Card Associations such as Voyager Fleet Systems, Inc., Wright Express Corporation and Wright Express Financial Services Corporation.

28. Special Provisions Regarding Non-Bank Cards

28.1. Non-Bank Card transactions are provided to you by Processor and not by Bank. Bank is not a party to this Agreement insofar as it relates to Non-Bank Card services, and Bank is not liable to you in any way with respect to such services. For the purposes of this section, the words "we," "our," and "us" refer only to the Processor and not to the Bank. You authorize us to share information from your Application with American Express, JCB, or any other Non-Bank Card Association.

28.2. You understand that American Express transactions are processed, authorized and funded by American Express. American Express will provide you with its own agreement that governs those transactions. You understand and agree that we are not responsible and assume absolutely no liability with regard to any such transactions, including but not limited to the funding and settlement of American Express transactions, and that American Express will charge additional fees for the services they provide.

28.3. If you accept American Express, you understand that if, based upon your anticipated Card transaction volume you do not qualify for our full service program but have otherwise been approved for accepting American Express transactions, your authorizations will be obtained from and funded by American Express. American Express will provide you with its own agreement that governs those transactions. You understand and agree that we are not responsible and assume absolutely no liability with regard to any such transactions, including but not limited to the funding and settlement of American Express transactions, and that American Express will charge additional fees for the services they provide.

28.4. If you accept JCB Cards, you must securely retain original JCB Sales Drafts and JCB Credit Drafts for a period of at least 120 days from the date of the JCB Card transaction and you must retain microfilm or legible copies of JCB Sales Drafts and JCB Credit Drafts for a period of at least three (3) years following the date of the transaction.

28.5. If you accept JCB Cards, you agree to be bound by JCB rules. You also agree to be bound by all other provisions of this Agreement which are applicable to JCB.

28.6 If you accept Voyager and/or WEX Cards, you agree to be bound by the WEX and/or Voyager rules. You also agree to be bound by all other provisions of this Agreement which are applicable to WEX and/or Voyager.

28.7 If you execute a WEX Merchant Agreement, you understand that we will provide such agreement to WEX, but that neither we nor WEX shall have any obligation whatsoever to you with respect to processing WEX Cards unless and until WEX executes your WEX Merchant Agreement. If WEX executes your WEX Merchant Agreement and you accept WEX Cards, you understand that WEX transactions are processed, authorized and funded by WEX. You understand that WEX is solely responsible for all agreements that govern WEX transactions and

that we are not responsible and assume absolutely no liability with regard to any such agreements or WEX transactions, including but not limited to the funding and settlement of WEX transactions. You understand that WEX will charge additional fees for the services that it provides.

28.8 If you accept Voyager Cards:

- In addition to the information stated in Section 1 (MasterCard and Visa Acceptance) of the Operating Procedures, you should check Fleet Cards for any printed restrictions at the point of sale.
- In addition to the information provided under Section 1.5 (Special Terms) of the Operating Procedures, you shall establish a fair policy for the exchange and return of merchandise. You shall promptly submit credits to us for any returns that are to be credited to a Voyager Cardholder's account. Unless required by law, you shall not give any cash refunds to any Voyager Card holder in connection with a sale.
- In addition to the information required under Section 3.1 (Information required) of the Operating Procedures, the following information must be contained on the single page document constituting the Sales Draft for Voyager transactions:
 - Time of transaction
 - Type of fuel sold
 - As permitted by the applicable POS device, odometer reading
 - For all cashier-assisted Sales Drafts and credit vouchers processed manually using a card Imprinter if required, the identification number
- If an increase in the number of Voyager transaction authorization calls from you not due to our or Voyager system outages in excess of 15% for a given month as compared to the previous month occurs, we may, in our discretion, deduct telephone charges, not to exceed \$.25 (25 cents) per call, for the increased calls, from your settlement of your Voyager transactions.
- In addition to the information provided under Section 7 (Settlement) of the Operating Procedures, settlement of Voyager transactions will generally occur by the fourth banking day after we process the applicable card transactions. We shall reimburse you for the dollar amount of sales submitted for a given day by you, reduced by the amount of Chargebacks, tax exemptions, discounts, credits, and the Fees set forth in the Service Fee Schedule Addendum. Neither we nor Voyager shall be required to reimburse you for sales submitted more than sixty (60) days from the date of purchase.
- For daily transmission of sales data, you shall maintain true and complete records in connection with the information required to be provided under this paragraph for a period of not less than thirty-six (36) months from the date of the generation of the data. You may store records on electronic media. You are responsible for the expense of retaining sales data records and Sales Drafts.
- In addition to the scenario identified in Section 10.1.4 of this Program Guide that could cause an authorization related Chargeback to occur, with respect to Voyager transactions, Chargebacks shall be made in accordance with any other Voyager rules. Notwithstanding termination or expiration of this paragraph or the Agreement, you shall remain liable for all outstanding Chargebacks on Voyager transactions.
- In addition to the information provided under Section 21 (Representations; Warranties; Limitations of Liability; Exclusion of Consequential Damages) of the General Terms, in no event shall our cumulative liability to you for losses, claims, suits, controversies, breaches or damages for any cause whatsoever in connection with Voyager transactions exceed the lesser of \$10,000.00 or the Voyager transaction fees paid by you to us for the two months prior to the action giving rise to the claim.
- Notwithstanding anything in this Agreement to the contrary, our obligation to provide services to you relating to any Fleet Card will terminate automatically without penalty to us or the related Association upon the earlier of (i) the termination or expiration of our agreement with such Association, (ii) at least twenty (20) days prior written notice by us to you; (iii) your failure to comply with material terms relating to such Fleet Card transactions, or (iv) written notice, if an Association discontinues its Card.

29. Special Provisions for PIN Debit Card

The special provisions outlined in this Section 29 apply only to those PIN Debit Card transactions that are processed by a Cardholder entering a PIN. These provisions do not apply to Non-PIN Debit Card transactions which do not involve entry of a PIN.

29.1. PIN Debit Card Acceptance. Most, but not all, ATM Cards (Debit Cards) can be accepted at the point of sale at participating locations. Examine the back of the PIN Debit Card to determine if the Card participates in a network that you are authorized to accept. Network mark(s) are usually printed on the back of the Card. If the PIN Debit Card is valid and issued by a participating network, you must comply with the following general requirements for all participating networks, in addition to the specific requirements of the network:

- You must honor all valid PIN Debit Cards when presented that bear authorized network marks.
- You must treat transactions by Cardholders from all Issuers in the same manner.
- You may not establish a minimum or maximum transaction amount for PIN Debit Card acceptance.
- You may not require additional information, besides the Personal Identification

Number, for the completion of the transaction unless the circumstances appear suspicious. A signature is not required for PIN Debit Card transactions.

- You shall not disclose transaction related information to any party other than your agent, a network, or issuing institution and then only for the purpose of settlement or error resolution.
- You may not process a Credit Card transaction in order to provide a refund on a PIN Debit Card transaction.

29.2. Transaction Processing. The following general requirements apply to all PIN Debit Card transactions.

- All PIN debit transactions must be authorized and processed electronically. There is no Voice Authorization or Imprinter procedure for PIN Debit Card transactions.
- You may not complete a PIN Debit Card transaction that has not been authorized. If you cannot obtain an Authorization at the time of sale, you should request another form of payment from the customer or process the transaction as a Store and Forward or Resubmission, in which case you assume the risk that the transaction fails to authorize or otherwise declines. The Cardholder should be instructed to contact the Issuer to find out why a transaction has been declined.
- You may not complete a PIN Debit Card transaction without entry of the Personal Identification Number (PIN) by the Cardholder. The PIN must be entered into the PIN pad only by the Cardholder. You cannot accept the PIN from the Cardholder verbally or in written form.
- The PIN Debit Network used to process your transaction will depend upon, among other things, the availability of the network at the time of the transaction, whether a particular PIN Debit Card is enabled for a particular network and the routing requirements established by the networks and the card issuers. We may, at our sole discretion, utilize any PIN Debit Network available to us for a given transaction.
- You must issue a receipt to the Cardholder upon successful completion of a transaction. The Cardholder account number must be masked so that only the last four digits will appear. The masked digits must appear as a non-numeric character such as an asterisk. This is referred to as PAN truncation.
- You may not manually enter the account number. The account number must be read electronically from the Magnetic Stripe. If the Magnetic Stripe is unreadable, you must request another form of payment from the customer.
- Any applicable tax must be included in the total transaction amount for which Authorization is requested. Tax may not be collected separately in cash.

• YOU ARE RESPONSIBLE TO SECURE YOUR TERMINALS AND TO INSTITUTE APPROPRIATE CONTROLS TO PREVENT EMPLOYEES OR OTHERS FROM SUBMITTING REFUNDS AND VOIDS THAT DO NOT REFLECT BONA FIDE RETURNS OR REIMBURSEMENTS OF PRIOR TRANSACTIONS.

29.3. Cash Back From Purchase. You have the option of offering cash back to your customers when they make a PIN Debit Card purchase. You may set a minimum and maximum amount of cash back that you will allow. If you are not now offering this service, your terminal may require additional programming to begin offering cash back.

29.4. Settlement. Within one Business Day of the original transaction, you must balance each location to the system for each Business Day that each location is open.

29.5. Adjustments. An adjustment is a transaction that is initiated to correct a PIN Debit Card transaction that has been processed in error. You will be responsible for all applicable adjustment fees that may be charged by a Debit Card network. Some networks may have established minimum amounts for adjustments.

There are several reasons for adjustments being initiated:

- The Cardholder was charged an incorrect amount, either too little or too much.
- The Cardholder was charged more than once for the same transaction.
- A processing error may have occurred that caused the Cardholder to be charged even though the transaction did not complete normally at the point of sale.

All parties involved in processing adjustments are regulated by time frames that are specified in the operating rules of the applicable Debit Card network, The Electronic Funds Transfer Act, Regulation E, and other applicable law.

30. Special Provisions Regarding Electronic Benefit Transfers ("EBT")

If you elect to engage in EBT transactions, the terms and conditions of this Section 30 shall apply.

EBT Transactions are provided to you by Processor and not by Bank. Bank is not a party to this Agreement insofar as it relates to EBT Transactions, and Bank is not liable to you in any way with respect to such services. For the purposes of this section, the words "we," "our," and "us" refer only to the Processor and not to the Bank.

If you have agreed to issue Cash Benefits and will provide cash back or cash only transactions, you agree to maintain adequate cash on hand to issue confirmed Cash Benefits and will issue Cash Benefits to EBT customers in the same manner and to the same extent cash is provided to your other customers. 35. EQUIPMENT LEASE AGREEMENT

This Equipment Lease Agreement ("Lease Agreement") is being entered into by and between National Merchant Center (through its business unit First Data Global Leasing), and the Lessee identified on the signature panel of this Merchant Processing Application ("MPA"). In this Lease Agreement, the words "we," "our" and "us" refer to National Merchant Center and its successors and assigns and the words "you" and "your" refer to Lessee and its permitted successors and assigns.

Lessee hereby authorizes us or our designees, successors or assigns (hereinafter "Lessor") to withdraw any amounts including any and all sales taxes now due or hereinafter imposed, owed by Lessee in conjunction with this Lease Agreement by initiating debit entries to the bank account designated by Lessee on the MPA (the "Settlement Account"). In the event of default of Lessee's obligation hereunder, Lessee authorizes debit of its account for the full amount due under this Lease Agreement. Further, Lessee authorizes its financial institution to accept and to charge any debit entries initiated by Lessor to Lessee's account. In the event that Lessor withdraws funds erroneously from Lessee's account, Lessee authorizes Lessor to credit Lessee's account for an amount not to exceed the original amount of the debit. This authorization is to remain in full force and effect until Lessor has received written notice from Lessee of its termination in such time and in such manner as to afford Lessor a reasonable opportunity to act. Lessee also authorizes Lessor from time to time to obtain investigative credit reports from a credit bureau or a credit agency concerning Lessee.

35.1. Equipment. We agree to lease to you and you agree to lease from us the equipment identified on the MPA or such other comparable equipment we provide you (the "Equipment"), according to the terms and conditions of this Lease Agreement. We are providing the Equipment to you "as is" and make no representations or warranties of any kind as to the suitability of the Equipment for any particular purpose. The term Equipment includes the Equipment initially deployed under the Lease Agreement and/or any additions, replacements, substitutions, or additions thereto.

35.2. Effective Date, Term and Interim Rent.

(a) This Lease Agreement becomes effective on the earlier of the date we deliver any piece of Equipment to you (the "Delivery Date") or acceptance by us. This Lease Agreement remains in effect until all of your obligations and all of our obligations under it have been satisfied. We will deliver the Equipment to the site designated by you.

(b) The term of this Lease Agreement begins on a date designated by us after receipt of all required documentation and acceptance by us (the "Commencement Date"), and continues for the number of months indicated on the MPA. THIS IS A NON-CANCELABLE LEASE FOR THE TERM INDICATED.

(c) You agree to pay an Interim Lease Payment in the amount of one-thirtieth (1/30th) of the monthly lease charge for each day from and including the Delivery Date until the date preceding the Commencement Date.

(d) YOU ACKNOWLEDGE THAT THE EQUIPMENT AND/OR SOFTWARE YOU LEASE UNDER THIS LEASE

AGREEMENT MAY NOT BE COMPATIBLE WITH ANOTHER PROCESSOR'S SYSTEMS AND THAT WE DO NOT HAVE ANY OBLIGATION TO MAKE SUCH SOFTWARE AND/OR EQUIPMENT COMPATIBLE IN THE EVENT THAT YOU ELECT TO USE ANOTHER SERVICE PROVIDER. UPON TERMINATION OF YOUR MERCHANT PROCESSING AGREEMENT, YOU ACKNOWLEDGE THAT YOU MAY NOT BE ABLE TO USE THE EQUIPMENT AND/OR SOFTWARE LEASED UNDER

THIS LEASE AGREEMENT WITH SAID SERVICE PROVIDER.

35.3. Site Preparation. You will prepare the installation site(s) for the Equipment, including but not limited to the power supply circuits and phone lines, in conformance with the manufacturer's and our specifications and will make the site(s) available to us by the confirmed shipping date.

35.4. Payment of Amounts Due.

(a) The monthly lease charge is due and payable monthly, in advance. You agree to pay all assessed costs for delivery and installation of Equipment.

(b) In addition to the monthly lease charge, you shall pay, or reimburse us for, amounts equal to any taxes, assessments on or arising out of this Lease Agreement or the Equipment, and related supplies or any services, use or activities hereunder, including without limitation, state and local sales, use, property, privilege and excise tax, tax preparation, compliance expenses, but

exclusive of taxes based on our net income. Property taxes are calculated and charged based on the average of the estimated annual property taxes over the course of the term of the lease. You will also be charged an annual Tax Handling Fee, as set forth in the MPA and/or applicable Fee Schedule.

(c) Your lease payments will be due despite dissatisfaction with the Equipment for any reason.

(d) Whenever any payment is not made by you in full when due, you shall pay us as a late charge, an amount equal to ten percent of the amount due but no less than \$5.00 for each month during which it remains unpaid (prorated for any partial month), but in no event more than the maximum amount permitted by law. You shall also pay to us an administrative charge of \$10.00 for any debit we attempt to make against your Settlement Account that is rejected.

(e) In the event your account is placed into collections for past due lease amounts, you agree that we can recover a collection expense charge of \$50.00 for each aggregate payment requiring a collection effort.

35.5. Use and Return of Equipment; Insurance.

(a) You shall cause the Equipment to be operated by competent and qualified personnel in accordance with any operating instructions furnished by us or the manufacturer. You shall maintain the Equipment in good operating condition and protect it from deterioration, normal wear and tear excepted.

(b) You shall not permit any physical alteration or modification of the Equipment, or change the installation site of the Equipment, without our prior written consent.

(c) You shall not create, incur, assume or allow to exist any consensually or judicially imposed liens or encumbrances on, or part with possession of, or sublease the Equipment without our prior written consent.

(d) You shall comply with all governmental laws, rules and regulations relating to the use of the Equipment. You are also responsible for obtaining all permits required to operate the Equipment at your facility.

(e) We or our representatives may, at any time, enter your premises for purposes of inspecting, examining or repairing the Equipment.

(f) The Equipment shall remain our personal property and shall not under any circumstances be considered to be a fixture affixed to your real estate. You shall permit us to affix suitable labels or stencils to the Equipment evidencing our ownership.

(g) You shall keep the Equipment adequately insured against loss by fire, theft, and all other hazards.

(h) You agree that all Equipment returns shall be to TASQ Technology, 1169 Canton Road, Marietta GA 30666

(i) You shall provide proof of insurance. The loss, destruction, theft or damage of or to the Equipment shall not relieve you from your obligation to pay the full purchase price or total monthly lease charges hereunder.

35.6. Title to Equipment. The Equipment is, and shall at all times be and remain, our sole and exclusive property, and you shall have no right, and title or interest in or to the Equipment except as expressly set forth in this Lease Agreement or otherwise agreed in writing. Except as expressly provided in Section 35.8, no transference of intellectual property rights is intended by or conferred in this Lease Agreement. You agree to execute and deliver to us any statement or instrument that we may request to confirm or evidence our ownership of the Equipment, and you irrevocably appoint us as your attorney-in-fact to execute and file the same in your name and on your behalf. If a court determines that the leasing transaction contemplated by this Lease Agreement does not constitute a financing and is not a lease of the Equipment, then we shall be deemed to have a first lien security interest on the Equipment as of the date of this Lease Agreement, and you will execute such documentation as we may request to evidence such security interest. If this Lease Agreement is deemed a loan despite the intention of the parties, then in no contingency or event whatsoever shall interest deemed charged hereunder, however such interest may be characterized or computed, exceed the highest rate permissible under any law which a court of competent jurisdiction shall, in a final determination, deem applicable hereto.

35.7. Return or Purchase of Equipment at End of Lease Period. Upon the completion of your lease term or any extension thereof, you will have the option to (a) return the Equipment to us; (b) purchase the Equipment from us for its then fair market value, calculated as a percentage of the aggregate lease payments in accordance with the following: If the term of this Lease is forty-eight (48) months or more, the buyout option as a percentage of the aggregate lease payments shall be ten percent (10%). If the term of this lease is thirty-six (36) to forty-seven

(47) months, the buyout option as a percentage of the aggregate lease payments shall be fifteen percent (15%). If the term of this lease is twenty-four (24) to thirty-five (35) months, the buyout option as a percentage of the aggregate lease payments shall be twenty percent (20%); or (c) after the final lease payment has been received by FDGL, the Agreement will revert to a month by month rental at the existing monthly lease payment. If Client does not want to continue to rent the Equipment, then Client will be obligated to provide FDGL with 30 day written notice to terminate and return the equipment to FDGL. If we terminate the lease pursuant to Section 35.11(b) due to a default by you, then you shall immediately return the Equipment to us no later than the tenth business day after termination, or remit to us the fair market value of the Equipment as determined in good faith by us. We may collect any amounts due to us under this Section 35.7 by debiting your bank account, and to the extent we are unable to obtain full satisfaction in this manner, you agree to pay the amounts owed to us promptly upon our request.

35.8. Software License. We retain all ownership and copyright interest in and to all computer software, related documentation, technology, know-how and processes embodied in or provided in connection with the Equipment other than those owned or licensed by the manufacturer of the Equipment (collectively "Software"), and you shall have only a nonexclusive license to use the Software in your operation of the Equipment.

35.9. Limitation on Liability. We are not liable for any loss, damage or expense of any kind or nature caused directly or indirectly by the Equipment, including any damage or injury to persons or property caused by the Equipment. We are not liable for the use or maintenance of the Equipment, its failure to operate, any repairs or service to it, or by any interruption of service or loss of use of the Equipment or resulting loss of business. Our liability arising out of or in any way connected with this Lease Agreement shall not exceed the aggregate lease amount paid to us for the particular Equipment involved. In no event shall we be liable for any indirect, incidental, special or consequential damages. The remedies available to you under this Lease Agreement are your sole and exclusive remedies.

35.10. Warranties.

(a) All warranties, express or implied, made to you or any other person are hereby disclaimed, including without limitation, any warranties regarding quality, suitability, merchantability, fitness for a particular purpose, quiet enjoyment, or non-infringement.

(b) You warrant that you will only use the Equipment for commercial purposes and will not use the Equipment for any household or personal purposes.

35.11. Indemnification. You shall indemnify and hold us harmless from and against any and all losses, liabilities, damages and expenses resulting from (a) the operation, use, condition, liens against, or return of the Equipment or (b) any breach by you of any of your obligations hereunder, except to the extent any losses, liabilities, damages or expenses result from our gross negligence or willful misconduct.

35.12. Default; Remedies.

(a) If any debit of your Settlement Account initiated by us is rejected when due, or if you otherwise fail to pay us any amounts due hereunder when due, or if you default in any material respect in the performance or observance of any obligation or provision of this Lease Agreement or any agreement with any of our affiliates or joint ventures, any such event shall be a default hereunder. Without limiting the foregoing, any default by you under a processing agreement with us or with an affiliate or joint venture to which we are a party will be treated as a default under this Lease Agreement.

(b) Upon the occurrence of any default, we may at our option, effective immediately without notice, either (i) terminate this lease and our future obligations under this Lease Agreement, repossess the Equipment and proceed in any lawful manner against you for collection of all charges that have accrued and are due and payable, or (ii) accelerate and declare immediately due and payable all monthly lease charges for the remainder of the applicable lease period together with the fair market value of the Equipment (as determined by us), not as a penalty but as liquidated damages for our loss of the bargain. Upon any such termination for default, we may proceed in any lawful manner to obtain satisfaction of the amounts owed to us and, if applicable, our recovery of the Equipment, including entering onto your premises to recover the Equipment. In any case, you shall also be responsible for our costs of collection, court costs, as well as applicable shipping, repair and refurbishing costs of recovered Equipment. You agree that we shall be entitled to recover any amounts due to us under this Lease Agreement by charging your Settlement Account or any other funds of yours that come into our possession or control, or within the possession or control of our affiliates or joint ventures, or by setting off amounts that you owe to us against any amounts we may owe to you, in any case without notifying you prior to doing so. Without limiting the foregoing, you agree that we are entitled to recover amounts owed to us under this Lease Agreement by obtaining directly from an affiliate or joint venture to which we are a party and with which you have entered into an MPA any funds held or available as security for payment under the terms of the MPA, including funds available

under the "Reserve Account; Security Interest" section of the MPA, if applicable.

35.13. Assignment. You may not assign or transfer this Lease Agreement, by operation of law or otherwise, without our prior written consent. For purposes of this Lease Agreement, any transfer of voting control of you or your parent shall be considered an assignment or transfer of this Lease Agreement. We will assign this Lease Agreement after its execution to First Data Global Leasing (FDGL), a business unit of First Data Merchant Services Corporation. After such assignment, National Merchant Center shall have no further obligation under the Lease Agreement.

35.14. Lease Guaranty. All indebtedness that exists now or arises after the execution of this Lease Agreement between you and any guarantor is hereby subordinated to all of your present and future obligations, and those of your guarantor, to us, and no payment shall be made or accepted on such indebtedness due to you from a guarantor until the obligations due to us are paid and satisfied in full.
